

Foster Street is extended past Foster Court and continues south to meet Eaton Road.

A three storey, stepping up to a four storey row of homes makes use of the space where the garages are at the moment to provide new homes.

A two storey terrace of six houses sits alongside Foster Court.

BUILDING NEW HOMES

Low rise homes around the edge of Fosters Estate will play an important role in improving the estate through creating a clear 'front' to the central green, and using the 'left over' space around the edge of the estate.
