# Message from Councillor Pauline Coakley Webb

Barnet is very proud of the diversity of its schools, all of which provide an excellent education. Pupils educated in our borough achieve some of the best examination results in the country, both at GCSE and A level.

At the same time, local schools provide a wide range of sporting, musical and other activities that give children a rich and broad education. We know that the secondary school application process can seem daunting, schools and the council together work hard to make the process as smooth as possible.

The admissions system is co-ordinated across the whole of the London area and is operated by all 33 London boroughs. This booklet explains that co-ordinated secondary transfer process in detail and also provides information about all the secondary schools in Barnet.

It is important that you read the booklet carefully and look closely at each school's admissions criteria in order to make the right choice for your child.

All Barnet schools have open events where you will be able to find out more about the schools that interest you. Further details are on [page 19](#) of this booklet.

I hope that your child will enjoy their time at secondary school and I am sure the education your child receives in Barnet will give them the skills, knowledge and qualifications to help them succeed in their future lives.

## Councillor Pauline Coakley Webb

Cabinet member for Family Friendly Barnet

# About this booklet

This booklet will help you understand the admissions process when your child transfers to secondary school in 2024.

## In this booklet we explain:

- how to choose a school
- how to fill in the application form
- how school places are allocated
- what happens if we cannot offer your child a place at a school you have chosen.

## In this booklet you will also find:

- the secondary transfer timetable
- descriptions of all the secondary schools and academies in Barnet
- a schedule of open evenings.

## There is also information about:

- in-year admissions
- fair access protocol
- placing children outside their correct year group
- post-16 education
- school meals
- help with travel costs
- school uniform.

## When does my child transfer to secondary school?

- children born between **1 September 2012** and **31 August 2013** will transfer to secondary school in 2023.
- if your child has an Education, Health and Care Plan (EHCP), the arrangements for your child's transfer will be different and these will be explained to you by the SEN Team. For more information contact **SENadmin@barnet.gov.uk**

## Co-ordinated admissions

Each year, over 100,000 pupils living in London transfer to secondary schools.

All London boroughs work together on the secondary transfer process and this is known as the Pan-London co-ordinated admissions scheme.

### How the scheme works

- you can apply for up to six schools
- the application is submitted to the local authority where you live
- you can apply for schools in Barnet or elsewhere
- a computer system is used to exchange information about Barnet residents applying for schools outside the borough, and other boroughs can tell us about their residents wishing to apply to Barnet schools
- if a school is oversubscribed, its published admissions criteria is used to decide who should be offered a place
- the scheme makes sure that no child is offered more than one school place
- you will get the result of your application on **1 March 2024**.

# Choosing a school

Before you make your application:

**Read** the school prospectus...

available from the school

**Talk** to the Admissions Team...

we can give you advice and answer your questions

**Don't listen** to gossip...

what's right for other children may not be the same for your child

**Think** about how realistic your choice is

most schools get more applications than they have places available so...

...look at the admissions criteria and the cut off distance for each school

# Mythbusters

## Answers to those playground myths:

**Myth:** **My child has a right to a place at one of my choices**

**Fact:** The schools listed on your application are preferences. We will offer your child the highest preference possible but if your child does not qualify for a place at any of your preferred schools, we will allocate a place at the nearest school with a vacancy.

---

**Myth:** **It does not matter if my application is late**

**Fact:** Applications submitted after 31 October will not be considered until places have first be allocated to all applicants who applied on time and it is very unlikely that your child will be offered one of your preferred schools if you apply late.

---

**Myth:** **Listing one school will give me a better chance of getting that school**

**Fact:** If you list only one school and your child does not qualify for a place under the school's admissions criteria, we will offer a place at the nearest school with a vacancy.

---

**Myth:** **I can only apply for Barnet schools**

**Fact:** You can apply for both Barnet and out of borough schools by listing them on the Barnet application form.

---

**Myth:** **Children in my road go to the school so my child will too**

**Fact:** The number of children offered under each criterion at each school can change every year so just because you know children living near you go to a certain school, this does not mean that your child will be offered a place there.

**Myth:** **If I apply to a school in another borough, their residents will have priority over my child**

**Fact:** An admissions authority cannot give priority to its own residents and published admissions criteria cannot include the borough of residence.

---

**Myth:** **I have an older child already at the school so my other child will automatically get a place**

**Fact:** Everyone must apply for a school place even if there is an older child at the school. Many schools give priority to siblings but this does not guarantee a place if there are other children who qualify under a higher criterion.

---

**Myth:** **I live nearer to the school than the last child offered under the distance criterion last year so my child is guaranteed a place**

**Fact:** Although the information in the allocation table on [page 25 to 27](#) can give you an idea of how likely it is that your child will be offered a place at your preferred school, the furthest distance offered will change every year. We cannot guarantee that any child will be offered a place at any school.

# Apply for your child's school place online at [eadmissions.org.uk](http://eadmissions.org.uk)

## Applying online for a school place is quick and easy.

Follow the steps in this leaflet and you are ready to start your child's online application.

- Each screen will explain what you need to do; more information is available wherever you see this  icon, just click on it.
- 2 videos are available on the website to watch:
  - Creating a new account
  - Resetting your password and finding out your username
- All sections with a \* need to be completed.
-  Help gives guidance on the following:

 About gives information on the following:

- When you first use the website you can download it as an app to the device you are using. Just follow the instructions.

### Step 1: Getting started

- Before you start your online application, you will need to do some research.
- Visit your local authority's website for details about how applications are processed.
- Find schools in your area by using the Map.
- Read the admissions criteria for the schools you are interested in.
- Visit schools.
- Check how places were offered in previous years.
- You should check transport policies for local authorities (outside London).

### Step 2: What to do if this is the first time you are applying online using eAdmissions

**If you have used the eAdmissions system in the last 3 years to apply for a school place for any of your children you do not need to register again. Instead please go to Step 3.**

- If you used the eAdmissions website over 3 years ago you will need to register to apply online.
- If this is the first time you are using the eAdmissions website you must register to apply online.
- You will need an email address to register.
- If you already have an email address you should set your spam/junk mail filter to 'Standard' so that emails from eAdmissions go straight to your inbox.  
**You should check your spam/junk email folder now and then to make sure that messages from the eAdmissions website are not sent there by mistake.**

- Register yourself on the eAdmissions website.
- Your username will be displayed on screen, make a note of it.
- You will then be asked to create your own password.
- Login to the eAdmissions website using the username and password that you have just created.
- You will be sent a validation email containing your username and instructions on how to validate your email address.
- The email will also contain a link which will take you to the eAdmissions login page to start your application.
- Please keep your username and password safe as you will need them to login and apply for any other children you have, and to see the outcome of your application. (It will be March for Secondary & 14/19 applications and April for Reception and Junior applications)
- You can opt to receive push notifications during the admissions process from an android phone or if you have an Apple device you can sign up to get notifications by downloading the 'ParentComms' mobile App.
- You can opt to receive text messages to your device during the admissions process, however you will not receive your outcome by text.
- It is important that you register well before the deadline in case there are any problems making your application. The closing dates are:
  - **31 October for Secondary & 14/19 applications**
  - **15 January for Reception and Junior applications**

### Step 3: What to do if you have applied before using eAdmissions or you have just registered and received your username

- On the home page select 'Returning visitors' and enter your username and password.
- If you have forgotten your username we can re- send it to you, just select the 'Forgotten your user name or password?' link.
- If you have forgotten your password we can reset it and send it to you, just select the 'Forgotten your user name or password?' link.
- There is a video that you can watch, look out for the  icon

### Step 4: Adding your child's details

- The next page is your home page called 'Your home page' Click 'Start application' button.
- Enter the details requested about the child you are making the application for on the 'Child details' page and select the 'Save and continue' button.
- **Please remember Council tax account number:** Some local authorities will ask you to provide this information for the address where your child lives.

For more information use the  icon.

- **Child's current school:** Please select the school from the drop down list. Only type the name of the school in the box if your child is at a nursery school or you cannot see the current school name listed.
- **Twins or triplets:** If you have twins or triplets you must make an application for each child and tick the multiple birth box.

### Step 5: Adding school preferences

- Add your preferences in the order you prefer them. **You can select up to six schools** (if you live in Surrey you can only select four preferences for Reception. Preferences for junior applications will vary, so please check with your Local Authority).
- Make sure you include the details of any brothers or sisters who will be attending one of the schools or linked schools you have applied for. If you do not tell us you may lose out on a place allocated under the sibling criterion.
- Please be aware that not all schools have a medical or social criterion, please check before selecting your schools.
- If the schools you have selected allow medical or social criteria and you would like your child to be considered under this criterion you must tick the relevant box and attach supporting evidence. You can attach documents once you have submitted your application.

### Important information

- **If you do not provide the evidence to support your application, your request cannot be considered under that criterion.**
- Some schools ask you to fill in extra forms called supplementary information forms (SIF). If you do not fill in these forms and/or send them direct to the relevant school, you risk your chance of getting a place at these schools.
- It is your responsibility to check that your online application is fully completed and that you have entered all details correctly. If you do not tick certain boxes or enter relevant information (for example sibling box) your application will not be considered under that criterion.
- Each time you fill in the information on a page, make sure that you select 'Continue'. Select  to add further schools to your application. When you have finished adding schools to your application then .

### Step 6: Submitting your application

- Select the 'Submit application' button on the last page.
- After you have submitted your application you will receive an email confirming details of your online application. The email will list an application reference number similar to this: 123-2024-09-E- 123456.
- If you do not receive a number it means your application was not submitted successfully and you must login
- **Editing/changing your application**
- You can edit and make changes to your online application until the closing date, but for your most recent changes to be recorded you will need to  your application.
- Always keep your details and your child's details up to date on the website. You can do this on 'Your home page'.

### Step 7: Attaching supporting evidence

Many local authorities need you to send them evidence to support your application. You can find out what each local authority needs by reading their information booklet about applying for school places or the

 [Local Authority Details](#) section, for example:

- Confirmation of your child's address and their date of birth.
- Evidence to support your application such as doctor's letters if you have applied under the medical criterion.
- Evidence to confirm your child was looked after or previously looked after.
- Evidence to confirm that you are a crown servant.

**If you have ticked any of the categories above and do not provide evidence to show this, your local authority is unlikely to take this into account when making allocations.**

### What happens next?

If you submitted your application by the closing date you will be sent the outcome of your application during the evening of the published national offer day.

- You should respond within 14 days. There are 2 ways to do this:
  1. Use the reply button in the email that you will receive during the evening. It will take you to the eAdmissions website, log in and respond.
  2. Return to eadmissions.org.uk, log in and select view outcome and respond.
- Some local authorities do not send letters if you have applied online. Check your local authority's details on the left hand side of the 'My school admissions' page.

**Receipt details:** Use the space below to record your application reference number, you may need to refer to this at a later date.

Application Reference Number:

## The following guidance will help you to complete your application

### Your child's home address

The home address provided on your application form must be your child's main residence on **31 October 2023**. We will not accept a temporary address, a business address, a childminder's address or any address, including a family member's address, that is not your child's main residence. The main address is considered to be where the place where the child sleeps and spends most of their time from Monday to Friday.

### Temporary addresses

We will not accept a temporary address if you still possess a property that was previously used as a home address; nor will we accept a temporary address that is used solely or mainly to obtain a school place.

If you own a property, which is, or previously has been, used as a home address and you state that you are living at, and apply from a different address, we will consider the second address to be temporary. Therefore, we will use the address of the first property as the valid address for school admissions purposes.

If you move out of your home into temporary accommodation whilst it is being renovated, the home address will still be considered to be the child's permanent address. If you are renovating a property prior to moving in, we will not accept the new address until you have moved. If you own or rent a property, and you buy or rent another property or live with family or friends temporarily, and state that this is your and your child's home address, we will not use the second address for school admissions purposes.

### Children living at two addresses

If parents live separately, the application should be made by the parent with whom the child normally lives from the address which s/he attends primary school.

Where a child spends equal time during the school week with each parent, it is the parents' responsibility to decide which address should be used on the school admission application. The application must be accompanied with a joint declaration outlining the arrangements, together with any relevant court order.

If no joint declaration is received and the residence is split equally, the home address will be determined to be the address where the child is registered with the doctor.

However, all evidence will be taken into account. If the residence is not split equally between both parents then the address used will be the address where the child spends the majority of the school week.

Custody issues cannot be resolved by the local authority. If parents are going through a separation or divorce and do not live together but share parental responsibility, the local authority will disclose details of a child's application if one of the parents requests this information.

The final decision about which address is to be used for admission purposes will normally be made by the Admissions Team.

### Applications from overseas

Applicants living overseas may only submit an application if they have a linked address within the local authority area, and documentary evidence can be supplied to show they will return to the address prior to the September in the year of entry; this address must not be an address of convenience.

If parents/carers wish to discuss their circumstances prior to making their application, they should contact the Admissions Team.

### Children of UK service personnel

Families of UK Armed Forces personnel with a confirmed posting or Crown servants returning from overseas to live in Barnet can apply for a school place ahead of a move. However, the application must be accompanied by an official letter that declares the relocation date and some evidence of the child's intended address.

### Change of address

We can only accept a change of address after you have moved. We will not use an intended future address (this includes where renovations are taking place prior to a move). If you change address, please notify us immediately and provide the evidence required (see Proof of address below). If you do not tell us about a move, or an intended move that has failed to take place, we may withdraw any school place that has been offered.

A change of address will only be taken into account if it takes place before **12 December 2023**. If we receive the required evidence before **12 December 2023** we will be able to use the new address to measure your home to school distance. If this information is received after **12 December**, we will not be able to update your address until after **1 March 2024**.

## Proof of address<sup>1</sup>

In order for us to verify your address, you must provide your council tax reference number on your application (you can find this on your Council Tax bill).

**You will also need to attach a scanned copy of one of the following documents to your application (or at least two documents if you cannot provide your council tax reference number):**

- tax credit documentation
- a recent bank statement showing child benefit payments
- a recent (within 3 months) utility bill
- your most recent rent, mortgage statement or tenancy agreement.

If your address has changed in the last two years, or if you move address after **31 October 2023**, we may ask you for further proof that your current address is your permanent home address.

**If you have sold one property and purchased another, we will need to see all of the following:**

- evidence of completion on the property sold
- evidence of completion on the property purchased
- closing utility account for the property sold
- the Council Tax reference number for the property purchased
- a utility bill for the property purchased.

**If you have moved from one rented property to another, we will need to see all of the following:**

- copy of termination of tenancy agreement on the previous property
- closing utility account for the previous property
- copy of tenancy agreement on the current property
- proof of payment of rent to the landlord on a regular basis
- the Council Tax reference number for the current property
- two utility bills for the current property
- if you are not liable for Council Tax or utilities you will need to provide official evidence that you are resident at that address (for example, child benefit letter, tax credit documentation, driving licence, child's medical card).

If this information cannot be provided, we won't be able to accept the new address and will continue to use the original address provided.

<sup>1</sup> We reserve the right to request confirmation of any address if we feel it is appropriate. We will also refer to any publicly available information, such as the electoral roll, where this is relevant

## Address checking and verification

All admission applications for school places are subject to address checks to ensure school places are allocated fairly and in accordance with published admission arrangements. These checks may be made using council systems, agencies, fraud departments, other education settings, or other resources available to us. Applicants may also be asked to provide additional evidence to support their application.

In most cases it is for the home local authority to determine if, on the balance of probability, the address given on an application is a child's normal place of residence, or is considered to be an address of convenience. Some examples of circumstances which may fall under this definition are as follows:

- using the address of a relative, friend, childminder or business
- using the address of a parent with whom the child spends the minority of the week
- using a rented or second owned property address on a temporary basis which gains advantage in the admissions process whilst still continuing to own or rent an alternative property
- use of a local address whilst the child lives overseas.

In making a decision, the following information will be taken into account alongside any evidence seen during the address checking process:

- the preference schools and if they are oversubscribed
- if the address being used gains an advantage in the admissions process
- the distance of the properties to the preference schools
- the length of time the arrangement has been in place
- information obtained from current education providers and services working with the family
- any state benefits in payment.

If there is evidence to suggest that an address of convenience has been used, the local authority will determine the address to be used based on the evidence and the balance of probability.

If a fraudulent address or address of convenience is found to have been used after the allocation of places, any offer made may be withdrawn, even if the child has started attending the school. We may also carry out additional checks with the new school to see whether the child's home address has changed since the application was submitted and will investigate applications where:

- there are any doubts about the information originally provided
- information has been received from a member of the public to suggest that misleading information has been provided and a fraudulent application made
- the Council Tax is in a different name than the applicant's.

## False or misleading information

It is important that the admissions system is fair for everybody. Nobody should be allowed to cheat by using a friend or relative's address or by temporarily renting a property near to a popular school. Each year a small number of parents try to get a school place by providing false information, which could result in them taking a place that should have gone to another child.

### Please realise that:

Providing false information to secure a school place is a criminal offence. Any applications suspected of being fraudulent will be referred to London Borough of Barnet's Corporate Anti-Fraud Team (CAFT) for investigation.

If your application is proven to be fraudulent you may be prosecuted in addition to the school place being withdrawn. Regretfully, a Barnet parent has recently been convicted for providing false information, which has resulted in a criminal record, a suspended prison sentence, loss of employment, financial penalties and unpaid community work.

All information submitted to Barnet Council can be used in proactive data matching exercises to assist in the prevention and detection of fraud. If you know someone who intends to use, or has used, a false address to obtain a school place, you can report this confidentially to CAFT:

Fraud hotline: **020 8359 2007**

Email: **CAFT@barnet.gov.uk**

Online: **www.barnet.gov.uk/anti-fraud**

## School preferences

### Please remember that:

- you may list up to six schools in the order you prefer them with your most preferred school as number one
- the preference order is very important, think carefully about this as only one offer can be made
- you can include schools within or outside Barnet
- you should check the admissions criteria for each of your preferred schools as the order of priority may give you an idea of your chances of success
- all applications are initially processed without taking your preference order into consideration
- if your child is eligible for more than one school offer, we will offer you a place at the school ranked highest on your application and withdraw all lower school preferences
- your ranking does not affect your child's eligibility for a place at any Barnet school.

## Changing your preferences

### Please note if you want to make changes to your list of schools:

- you can change your preferences any time up until **31 October 2023** on 'Your Home Page'
- you cannot change your preferences after **31 October 2023** unless there is a good reason, such as a change of permanent address or a entrance test result was received after **31 October** which may affect the likely outcome of the application.

## Looked After Children and Previously Looked After Children

### 'Looked after' children and previously 'looked after' children are given the highest priority for a school place and are defined as:

- children in the care of a local authority, i.e. fostered or living in a children's home
- children who have left care through adoption, a child arrangements order or a special guardianship order as well as those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

**Important** – please see Keywords on [page 93](#) for definitions of 'looked after' children and previously 'looked after' children. If you are a foster carer looking after a child in care, you must provide a letter from the child's social worker confirming the child's status as a 'looked after' child.

## Children with special educational needs

If your child has an Education, Health and Care Plan (EHCP), the arrangements for your child's transfer to secondary school will be different. There is no online application process.

You should already have received a letter from the SEN Team setting out the secondary phase transfer process for children with EHCPs.

Your child will be allocated a school place in **February 2024**. If you have not received a letter or require further information please contact **SENadmin@barnet.gov.uk**

## Exceptional social/medical circumstances

All Barnet schools have experience in dealing with children with diverse social and medical needs. However, there may be exceptional cases where a particular school may be able to meet a child's need in a way that no other school can.

For your application to be considered under the social or medical criterion, you must provide written evidence from a doctor, social worker or other independent professional, which demonstrates the connection between your child's needs and the specific school.

Please note that most secondary schools do give priority on social / medical grounds. Therefore, you should check the oversubscription criteria for your preferred school and only attach supporting evidence if this category is listed.

## Late applications

**Applications received after 31 October** will be treated as late. Late applications will not be considered until we have allocated school places to the applicants who applied on time.

This means that late applicants are unlikely to be offered one of their preferred schools. If there is a good reason as to why your application is late; for example serious illness, or you moved to the area after the closing date, you must submit a Reason for Late Application Form at [www.barnet.gov.uk/schooladmissions](http://www.barnet.gov.uk/schooladmissions) by **12 December 2023** at the latest.

## Data protection and sharing information

We need to collect and share information in order to deliver our services effectively. We take our responsibility to protect your data seriously and we will use it in accordance with the legal requirements of the Data Protection Act 2018 and The General Data Protection Regulation (GDPR).

For the purpose of processing your application for a school place we may share information you provide to deal with your requests, administer departmental functions and meet our statutory obligations. This may include sharing your information with schools, other local authorities, children's services and London Grid for Learning (LGfL) an organisation that processes data on our behalf.

If you want to know more about how your information is used visit [www.barnet.gov.uk/privacy](http://www.barnet.gov.uk/privacy)

## How places will be allocated

**When all the on-time applications have been submitted, the allocation process will begin:**

- we will let other local authorities know about any preferences you have made for schools in their area
- we will also let all Barnet schools, including voluntary aided schools, free schools and academies have details about your child if you have included any of these schools in your list of preferences
- your rankings will not be passed on to individual schools
- all your preference schools will be considered equally and the highest eligible oversubscription criterion will be applied for each school
- the oversubscription criteria for our schools and academies are shown on pages [30/31 to 85](#).
- ranked lists will be drawn up for all schools

**When all the applications have been considered:**

- we will co-ordinate all the offers and exchange information with other local authorities
- if your child can be offered more than one school, we will offer the school you have ranked the highest
- lower preferences are automatically withdrawn at this stage
- all withdrawn preferences will be offered on to other children
- no child will be offered more than one place
- if it is not possible to offer a place at any of the schools you have chosen we will, if possible, allocate your child a place at an alternative school. This will usually be the nearest school with a vacancy.

## Withdrawal of offers

**Places offered at oversubscribed schools will be withdrawn if:**

- the offer was made in error
- the offer was made on the basis of fraudulent or intentionally misleading information
- the offer was made on the basis of information that cannot be verified to the satisfaction of the Admissions Team or later proves to be inaccurate
- the applicant has not responded to correspondence within a reasonable period of time.
- your offer will be re-assessed if your child has moved after the offer was made and before the start of the academic year; in this case the offer may be withdrawn.

If your child's place is withdrawn you have the right of appeal against this decision.

## National Offer day – 1 March 2024

- you will receive an email with the outcome of your application during the evening of **1 March 2024**
- if you have registered for text messaging you will also get a message to inform you that the outcome of your application is available to view online
- you should wait until you receive your email and click on the 'Reply' button at the bottom of the email to log into your account and accept or decline your offer
- if you forget your login details you need to go the login page and select 'Forgotten your username or password'
- all applicants who are not offered a place at their first preference school will be informed what happens next
- please accept the school place you have been offered by **15 March 2024**; log into your eadmissions account, go to your 'My school admissions' page and select 'View outcome and respond'
- please remember to 'submit' your response otherwise we will not receive it.

### If you are not accepting the offer you must tell us why, for example if:

- your child has been offered a place at an independent school
- you are moving out of the area.

Please select the appropriate option on the response page. It is important that you inform us so that we can offer the place to another child.

## What happens if you have not been offered your preferred school?

### Waiting lists

- if your child does not get a place at any of your preferred schools, their name will remain on the waiting lists for your preferred Barnet schools
- your child's name will remain on the waiting list for any Barnet school listed higher on the application form than the school we have offered
- all lower preferences will have been withdrawn so if you want your child's name to be added to the waiting list for a lower ranked school to the one your child has been offered, you will need to complete and submit the online 'Change of School Preference Form' (URL: <https://www.barnet.gov.uk/schools-and-education/school-admissions/apply-secondary-school/transferring-secondary-school>)
- we can also add your child's name to the waiting list for a school that you did not list on your application form
- waiting lists are ordered in accordance with the admissions criteria
- time spent on a waiting list is not taken into account and it is possible that your child's position may go down as well as up.

**Please note:** waiting lists for most Barnet schools are closed at the end of each academic year\* so you will need to submit a new application if you want your child to be placed back on a waiting list for the academic year 2024/25.

Please apply for an In-Year place by visiting [www.barnet.gov.uk/schooladmissions](http://www.barnet.gov.uk/schooladmissions) and following the link to **In-Year admissions**.

## Appeals

**If your child is not offered a place at any of the schools listed on your application form, you have the right of appeal:**

- for Friern Barnet School you can lodge an appeal online at [www.barnet.gov.uk/schooladmissions](http://www.barnet.gov.uk/schooladmissions)
- for all other schools and academies you will need to contact the school/academy directly for further information
- appeals are heard by an independent panel and normally take place between May and July
- each case is decided on individual merit and only exceptional circumstances are likely to lead to a successful appeal
- no places are reserved for successful appeals, so any appeals allowed are likely to increase the school's intake above the admission limit
- decisions made by the appeals panel are binding on the admission authority for the school
- accepting a place at another school will not affect your chances of having a successful appeal
- you can only have one appeal for each school in the same academic year unless there are significant changes in your circumstances
- further information about the appeals procedure will be included with your notification on **1 March 2024**.

## After 1 March 2024

### Offers

- some parents may decide not to accept the school place offered to their child
- when a place becomes available it will be offered to the next child on the waiting list
- a second round of offers will be made during the last week of March
- if it is still not possible to offer your child a place at one of your preferred schools and you do not wish to accept a place at the school that has been allocated, **you will become responsible for securing suitable education for your child.**

\* Please check the individual school's website for further information on waiting lists and closure dates.

At the girls' school there will be limited parking available in the school's car park on the evening. Parents can also park in the residential streets nearby, showing consideration for our neighbours. Please note that these arrangements are subject to change and current information can be found on the school website <a href="http://www.hasmoneangirls.org.uk/admissions">www.hasmoneangirls.org.uk/admissions</a> or by contacting the school directly.
<b>Hendon</b>	There will be guided tours for parents and pupils and talks by the Headteachers at 6.30pm. We ask all parents to book a tour and ticket to the Headteachers speech via our website from 11th September. Tours of the school in normal working hours will be available during the week following the open evening. Please book these via our website from 12th September. All transition information can be found on our website <a href="http://www.hendonschool.co.uk">www.hendonschool.co.uk</a>
<b>The Henrietta Barnett</b>	The school will be holding an Open Day on Monday 11th July. This will be a ticketed event open to current Y5 students and their families only. To maximise the number of families who can attend, tickets will be limited to two per family. Families will hear a talk from the headteacher and receive a guided tour of the school. There will be six sessions available and tickets will be allocated on a first-come-first-served basis. Please note that proof of booking will be required to gain entry on the day. Bookings can be made through the school's website.
<b>JCoSS</b>	There will be talks given by the Headteacher during the evening: please go to <a href="http://www.jcoss.org">www.jcoss.org</a> for further details and to pre-register for the talk you wish to attend. There will also be guided tours of the school given by students throughout the evening. The vehicle entrance to JCoSS is on Castlewood Road and there is some parking on site. The pedestrian entrance to JCoSS is on Westbrook Crescent. Please do not park on Westbrook Crescent or Armstrong Crescent and please be considerate to local residents if you are parking on roads surrounding the school. Please go to <a href="http://www.jcoss.org">www.jcoss.org</a> or phone 020 8344 2220 for updated information, which will be dependent on Covid guidelines.
<b>London Academy</b>	Prospective parents and students are invited to attend London Academy Open Evening on Tuesday 12 September, to view the school between 6 - 8.30pm. The Principal will deliver a talk at 6.30pm and 7.30pm. Parents attending the Open Evening are requested to follow traffic directions given by the car park attendants. For further information, you can visit our website: <a href="http://www.londonacademy.org.uk/">http://www.londonacademy.org.uk/</a> , or if you cannot make the event, please contact the academy on: 020 8238 1100 to arrange a tour of the school or sit down with the Principal.

## Further information about each schools Open Evening

<b>Mill Hill County High</b>	Guided tours of the school for parents and pupils will be arranged between 5 – 7.30 pm. The Headteacher will address prospective parents in the main hall at 5.30pm, 6.15pm and 7pm. Admission to the Headteacher’s speech is by ticket only. These will be available during the evening. Parking in and around the school is very difficult. Parents are requested to follow the traffic directions given by supervising adults. If you require special access arrangements due to disability it is essential that you contact the school prior to the evening.
<b>Queen Elizabeth’s Boys’</b>	The occasion will be open to families with sons of different ages, recognising that many start visiting potential schools at different times. However, there will be an early-bird booking period for those who have successfully registered to sit the entrance examination in September 2023, for entry into Year 7 in September 2024. Those who have completed the registration process, which opens on Monday 1st May 2023, will be contacted with details on how to book one of the sessions. After this initial priority period, booking will become available to all. We are planning for nine sessions throughout the day, so there should be plentiful capacity. All bookings will be via Eventbrite, but we will update the School’s website at the relevant time with the necessary link. To maximise the number of families who can visit us, the number of attendees per booking will be limited to up to three visitors from each family. You cannot make more than one booking. Tickets will be available on a first-come-first-served basis. Proof of booking will be required to gain admittance on the day. A visit will involve hearing from the Headmaster and a guided tour of our campus.
<b>Queen Elizabeth’s Girls’</b>	Parents are invited to view the school between 6pm – 8.30pm (final admission at 8pm). There will be three talks by the Headteacher in the school hall at 6.45pm, 7.30pm and 8.15pm. Parents are advised that there is no parking on the school site and that parking around the school is extremely limited. If possible parents should walk or use public transport. Tours of the school during normal working hours will be available in the days following the open evening. Please telephone the school on 020 8449 2984 to make an appointment.
<b>St Andrew the Apostle</b>	The school will be open for parents and Year 6 pupils between 6pm and 8.30pm. The Headteacher will be speaking at 6.45pm and 7.30pm. St Andrew’s is in the grounds of the North London Business Park and there is plenty of parking on the site; but please use the Brunswick Park Road entrance only. Open mornings to see the school at work will be held in the weeks beginning 19 and 26 September. Please telephone for an appointment on 020 3195 5444 or email <a href="mailto:admissions@standrewtheapostle.org.uk">admissions@standrewtheapostle.org.uk</a> For further information please visit our website <a href="http://www.standrewtheapostle.org.uk">www.standrewtheapostle.org.uk</a>
<b>St Mary’s &amp; St John’s CE</b>	Prospective parents and students are warmly invited to our Stamford Raffles Campus where Years 9-13 are based. You are welcome to view our superb facilities and to talk with our students, staff and governors about our community and distinctive Christian ethos. The Principal and Senior Leadership Team will give talks at 5:45pm, 6.45pm and 7.30pm, which will need to be booked in advance via our website ( <a href="http://www.smsj.london">www.smsj.london</a> ). Open mornings, while the school is in session are also available by appointment during the week commencing 2 October 2023, please contact our school office on 020 8202 0026. Further information about our exciting Performing Arts Scholarship programme can be found on our website, <a href="http://www.smsj.london">www.smsj.london</a> , please note that there is an earlier deadline for these applications.
<b>St Michael’s Catholic Grammar</b>	Guided tours of the school will be held between 5 and 7.30pm. Parents are also invited to a short presentation from the headteacher at 6pm or 7pm. Girls due to transfer in 2024 or 2025 may accompany parents but no other children should be brought as space is limited. Unfortunately, there is no parking on site. It is suggested that parents park in Lodge Lane car park as the routes to the school become easily congested with traffic. Visitors should not try to drive onto the school premises. Please be considerate to local residents and do not block drives when visiting the school.
<b>Saracens High</b>	The school will be open for prospective parents and pupils between 5.30 - 8pm. There will be a talk by the Principal at 5.45pm and 6.30pm. Guided tours by current pupils will be available from 5.30pm. For parents unable to attend, there will be Open Mornings on Monday 2 October and Tuesday 3 October from 9 - 10.30am. Please email <a href="mailto:admin@saracenshigh.org">admin@saracenshigh.org</a> if you would like to attend one of the open mornings. No parking will be available within the school, so parents should park in the residential streets nearby, showing consideration for our neighbours.
<b>The Totteridge Academy</b>	Prospective parents and pupils are warmly invited to view the school between 5.30pm-8pm on Thursday 28 September. The Principal Mr Fairbairn will address visitors in the school hall at 6.30pm. Before and after this address, students will be available to lead guided tours of the school for parents and their children. Ample on-site parking is available.

<b>Whitefield</b>	<p>Prospective parents and their children are invited to our Open Evening on Tuesday 26th September, to view the School between 5.30 - 7.30pm, with a 7pm last admission. Students will guide parents and their children around the school to show them all we have to offer. The new Headteacher, Mr. Hunt will give a talk at 7pm in The Acorn Theatre. Refreshments will be available. Following Open Evening, parents and their children are invited to visit Whitefield School during normal working hours to see the school in action. Appointments can be made to tour the school by visiting the school website and clicking the booking link, or by calling the school office 0208 455 4114.</p>
<b>Wren Academy Finchley</b>	<p>Parents and prospective students are invited to book seat at one of the Principal's three speeches which will commence at 5.30pm, 6.15pm, and 7.00pm. The Academy will not be open for tours on this evening. Daily tours will take place from 9.00 to 11.00 and will be by appointment only. To book a speech or tour, please refer to our website <a href="http://www.wrenacademyfinchley.org">www.wrenacademyfinchley.org</a> in September 2023.</p>

# Barnet Schools

## Information about the types of secondary school

### Barnet has 28 secondary schools

#### Community schools (1)

Community schools are owned and funded by Barnet Council.

Our community comprehensive school is:

- Friern Barnet School

#### Voluntary aided schools (6)

Voluntary aided schools are owned by religious or voluntary bodies but funded by Barnet Council. The school governors are responsible for setting admissions criteria.

Barnet's voluntary aided schools are:

- Finchley Catholic High School
- JCoSS
- Menorah High School for Girls
- St Michael's Catholic Grammar School
- St James' Catholic High School
- St Mary's and St John's CE School

#### Academies and free schools (21)

Academies are independent of the local authority and funded directly by the government. Although the governors are responsible for setting admissions criteria, academies are required to participate in co-ordinated admissions arrangements.

Barnet's academies and free schools are:

- The Archer Academy
- Ark Pioneer Academy
- Ashmole Academy
- Bishop Douglass Catholic School
- Christ's College Finchley
- The Compton School
- Cophall School
- East Barnet School
- Hasmonian High School for Boys
- Hasmonian High School for Girls
- Hendon School
- The Henrietta Barnett School
- London Academy
- Mill Hill County High School
- Queen Elizabeth's School Barnet
- Queen Elizabeth's Girls' School
- St Andrew the Apostle Greek Orthodox School
- Saracens High School
- The Totteridge Academy
- Whitefield School
- Wren Academy

#### University Technical Colleges and Studio Schools (0)

UTCs are technical academies for 14 to 19-year-olds. They are independent of the local authority and have university and employer sponsors. UTCs combine practical and academic studies and specialise in subjects that need modern, technical, industry-standard equipment.

Studio Schools are innovative schools for 14 to 19-year-olds. They are independent of the local authority and are backed by local businesses and employers. Studio Schools often have a specialism, but focus on equipping young people with a wide range of employability skills and core academic subjects.

# Secondary schools and academies in Barnet

The following pages (30-85) have been written by the schools themselves. Barnet Council has made every effort to ensure accuracy but responsibility for the content lies with the individual schools.

## Oversubscription criteria

When more applications are received than there are places available, schools and academies will use their 'oversubscription criteria' to decide who will be offered places.

The oversubscription criteria at voluntary aided schools, foundation schools and academies may be subject to review and you are advised to check the schools' websites for the finalised criteria before making an application.

## How we calculate home to school distances

We use the Synergy Admissions and Transfers system to calculate the distance from your child's home (the start point) to the school (the end point). The system calculates the distance in miles to three decimal places. The routing database uses two dimensional maps. This means it does not take into account any contours or terrains.

### The start point (applicant's home)

For calculation purposes, the local authority uses the AddressBase database supplied by Ordnance Survey to determine the start point from the applicant's address. This provides a national grid co-ordinate and a unique property reference number (UPRN) for each property in Great Britain. The grid reference is provided to a resolution of 1 metre (100cm).

Calculations are based on the assumption that the child's home address is classified at the point of application as a residential address. If you live in a block of flats where you use a communal entrance, the local authority will use the UPRN for the block and not the centroid of your individual flat for the distance calculation.

### The end point (school)

Unless otherwise stated, the main gate to the school is used as the end point for calculation purposes.

Please note that you cannot compare distances produced on the local authority's Synergy system to those calculated using any online geographical information system software you may have access to, such as satellite navigation systems or Google maps.

## About our school

### Aims and expectations

We are an OFSTED outstanding school made up of a close-knit community of high aspirations and high expectations in the heart of East Finchley. We are lucky enough to be able to offer our students two bespoke campuses with two distinct environments, ensuring that they receive the right kind of help and challenge at the right time.

As our students make their way through school, they are inspired and supported by a team of teachers who always have their best interests at heart. We work closely together to deliver an interesting, responsive curriculum, providing our students with the knowledge and skills they need to succeed in the next stage of their lives.

And because we believe that education does not stop when the bell rings, we also offer a huge range of extra opportunities outside the classroom, from twice-weekly enrichment courses and horizon-broadening trips to watching and taking part in all sorts of performances and competitions.

We have a comprehensive transition programme for our new year 7s, highlights include: taster lessons, induction day and our community literacy project, where we work with local primary schools to collectively read and explore the novel *The Phantom Tollbooth*. We also have the popular VIP Zone of our website, reserved for students who will be joining the school. Here they can take part in weekly quizzes and earn house points before they even become Archers in September.

Our goal is to help our students become positive, thoughtful and skilled young people, with a zest for life and a generosity of spirit which will help them make the most of the opportunities ahead. We encourage and support them as they take risks, make some inevitable mistakes, and discover what they are all about.

You can get a sense of why Ofsted has graded us outstanding in all areas by exploring our website. But to really experience what life at the Archer Academy is like, do please come and visit us.

### Transport

Buses: 102, 143, 234, 263, 603, H3  
Nearest stations: East Finchley (Northern Line)

### Type of school

Co-educational comprehensive academy.

### Supplementary Information Form

Not required.

### Specialism

English and Maths.

### Uniform

All Archer Academy students wear our school uniform. This gives them a clear visual identity, both inside and out of school, puts them in the mindset of being ready to learn, and creates a sense of belonging and community that reflects our vision. We designed our uniform in collaboration with parents and teachers, allowing us to create a practical solution that ensures that our students are both smart and comfortable, whatever activities they are involved in.

## Oversubscription criteria

(summary) see school website for full criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. Looked after children (LAC) and previously looked after children (PLAC), who were adopted (or subject to child arrangement orders) immediately following having been looked after, as well as internationally adopted previously looked after children (IAPLAC), those who appear (to the Admission Authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. children whose parents are Founders of the Archer Academy and who have been granted this provision by the Secretary of State for Education.
3. children who will have siblings in the school at the time when they are admitted to the school.
4. children of staff (teaching or support) of the school, provided they have been directly employed for a minimum of two years at the time at which the application for a place is made, or have been recruited to fill a post where there is a demonstrable skills shortage. (The definition of a direct employee is an employee holding a contract of employment with the school).
5. children in the priority catchment area – which is the postcode areas N2, N3 and NW11 – as follows:

45% of places will be offered to children whose home address is within N2, 35% to children whose home address is within N3 and 20% of places to children whose home address is within NW11. Any fraction of places that remain when dividing places to each postcode.

will be allocated to applicants in the N2 postcode. Places will be offered to those children who live closest to the school, based on measuring distance in a straight line from the front gate of the Lower School Stanley

Road campus to the front door of the applicant's home.

6. after places have been filled under the first five criteria, any remaining places will be offered on a geographical basis with priority given to children who live closest to the school, based on measuring distance in a straight line from the front gate of the Lower School Stanley Road campus to the child's home.

## Attendance, discipline and pastoral arrangements

Good behaviour and firm discipline are the basis of a happy and productive learning environment, and we have high expectations for the standards of behaviour in our school.

This is underpinned by a nurturing house structure and a culture that celebrates hard work and achievement in all aspects of school life. We have a zero tolerance attitude towards bullying, and act swiftly to prevent small problems from becoming big ones.

## Facilities/Extra-curricular activities

Our enrichment programme is a central part of Archer Academy life. All Archer students take part in enrichment activities at the end of the formal school day on a Tuesday and Thursday, to enable them to learn important skills that help them in and beyond their lessons and to discover their hidden talents and passions. The programme offers more general opportunities for students in Years 7 and 8, becoming more tailored once they reach Year 9. We also offer a range of extra sport, language and performing arts opportunities before, during and after the formal school day.

## You and your child's progress

Every student is given an individual learning plan, which includes ambitious, measurable targets for them to work towards. We monitor their progress regularly, and hold termly review sessions which give pupils and their parents the opportunity to identify any issues and be clear about any actions that are needed.

## Curriculum and homework

We offer a broad and balanced curriculum that follows the National Curriculum. In Year 7, 25% of the timetable is dedicated to our specialist areas, English and Maths. However, our curriculum delivers a wide range of other subjects and skills, including sciences, modern languages, humanities and the creative and performing arts. We also set aside time for a range of competitive sports.

Homework is set in all subjects.

## Teaching and learning

The success of our school lies in the hands of our teaching staff, who enthuse and educate our students in equal measure. The structure of the Archer Academy has been designed to allow our staff to nurture the academic, social and emotional potential of each child.

All of our teachers are fully qualified.

Outside of the usual curriculum, we offer regular Bright Ideas lectures, Cultural Society outings, residential trips both abroad and in the UK, all designed to inspire and engage our students in their learning.

## Education after 16/ Sixth form curriculum

We are delighted to have a strategic partnership with both Woodhouse College and Barnet Southgate College which creates exceptional opportunities for students. Archer Academy students are given priority places at both colleges.

## About our school

### Aims and expectations

Ark Pioneer is a new secondary school which opened to our first year 7 pupils in September 2019.

We believe that every child has the ability to be an articulate, knowledgeable and successful individual and we are committed to realising that potential, enabling them to go to the best universities in the country and into a career of their choice.

The Ark network of schools includes numerous successful start-up schools in North London, including King Solomon Academy, Ark Academy and Isaac Newton Academy - all judged outstanding by Ofsted. We believe Ark Pioneer will match these exceptional standards.

Ark Pioneer will offer 180 places for our sixth cohort of year 7 pupils in September 2024, alongside opening our Sixth Form when our founding year group progress to year 12. If you share our four core values of aiming high, having integrity, modelling determination and being kind, please contact us to find out more or join one of our open events.

### Transport

Buses: 34, 107, 234, 263, 307, 326, 384, 389, 606, 634, N20 Nearest stations: High Barnet (0.5km), New Barnet (1.3km)

### Type of school

Mixed-gender, non-denominational mainstream academy.

### Supplementary Information Form

A Supplementary Information form (SIF) is not required.

### Uniform

We are very proud of our professional uniform and PE kit, which reflects our strong sense of community. Details can be found on our website.

### Attendance, discipline and pastoral arrangements

We have high expectations of all our pupils here at Ark Pioneer. We believe pupils learn best in an environment that is focused, calm and respectful. Through our Values and Character programme and our school rewards system, we reinforce our four core values and teach pupils about key character traits. We develop pupils' self-discipline so that they can grow into responsible, well-rounded, young adults ready for life after school.

## Oversubscription criteria

(summary) see school website for full criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. 'looked after' children and children who have previously been a 'looked after' child but immediately following this became subject to adoption, a child arrangements order or special guardianship order.
2. children of staff at the academy who occupy, or have been recruited to, a post where there is a demonstrable skill shortage. Ark Schools must approve the Principal's assessment process and designation of such posts to confirm the staff members' eligibility under this criterion. Priority will be limited to one place for each form of entry in any year (i.e. 6 places in each 6-form year group).
3. children who, at the time of admission, have a sibling at the academy. For this purpose, "sibling" means a whole, half or step-sibling or an adopted child resident at the same address.
4. children of staff in the school who have been employed at the school for two or more years at the time the application is submitted. Ark Schools must approve the Principal's decision to allocate places to staff under this criterion. Priority will be limited to one place for each form of entry in any year (i.e. 6 places in each 6-form year group).
5. distance measurement – priority will be given to those children who live closest to the school. The local authority measures distance on behalf of Ark Schools. London Borough of Barnet use Ordnance Survey and Synergy Admissions & Transfers system to calculate distance between the child's home and the main entrance to the academy.

6. Tie breaker: If Ark Schools is unable to distinguish between applicants using the published oversubscription criteria, places will be offered via a random draw which will be supervised by someone independent of the academy.

7. In the case of multiple births or siblings in the same year group, where there is only one place available in the academy, all will considered together as one application.

## Facilities/Extra-curricular activities and Enrichment Opportunities

We want every pupil to develop interests and passions that will give them enjoyment throughout their lives. All pupils take part in two enrichment activities per week timetabled during the school day. Pupils choose from activities ranging from trampolining to musical theatre, dodgeball to dance, Spanish to Spoken Word... and many more. We have a fantastic music department encompassing our band, choir and many opportunities to perform in Ark network competitions and we offer subsidised music lessons across a range of instruments. Our pupils also play sport through the day and represent our school in local competitions. Our math-magicians take part in the UK Maths Challenge competitions and pupils also have the opportunity to compete in the Ark network competitions! We also arrange visits to theatres, universities, trips abroad and guest careers speakers.

## First Class Facilities

Our purpose-built school offers state of the art facilities, including a multi-court sports hall and fully equipped fitness centre, laboratories, IT, drama, art & design technology specialist spaces; every child is allocated a Chromebook for all work at home.

## Knowing Every Child

We place significant emphasis on ensuring we know every child well. Every family visits our school before joining and has a one-to-one meeting with our senior team before they start. We have a Secondary Transition day for pupils in July and Induction days in September – all to support a successful transition to secondary school.

## High Aspirations

At Ark Pioneer, we believe every pupil should have the opportunity to go to university or pursue the career of their choice. We will set challenging goals and provide individualised support to ensure each pupil makes rapid progress from their starting point and realises their potential. We learn about university every year, taking part in trips to campuses and careers speakers present to pupils every term.

## Curriculum and homework

We believe in a traditional, academic curriculum offer which provides our pupils with a solid foundation for further study and preparation for university. Our pupils have a longer school day (8:25-4pm Monday, Tuesday, Thursday, Friday, 8:25-3:10pm Wednesday), to allow more time for English and maths, a rich and varied subject offer and enrichment sessions timetabled twice per week. We have a breadth of music, sports & art extra-curricular activities including network scholarship programmes.

## Teaching and learning

Our teachers are curriculum experts, passionate about their subject and have high expectations of every pupil. Their belief in the growth mindset ensures our pupils are ready to embrace challenging academic material and can become successful lifelong learners.

## You and your child's progress

We believe working together with parents/carers is essential in achieving the very best for our pupils. We communicate with parents regularly, starting with welcome tours when parents join, termly reports alongside parents evening and school events such as our Summer Fayre.

## Education after 16/ Sixth Form curriculum

Our Sixth Form will also open in September 2024 when our founding cohort progress into year 12. We will offer A level courses across a range of academic subjects, a Professional Pathways extended qualification in Business and a T-Level in science.

## About our school

### Aims and expectations

Ashmole Academy is a high performing school. We aim to enable students to develop to their fullest potential in all areas of school in order to prepare them as far as is practicable to be responsible members of society.

We create a friendly environment but insist on strict standards of behaviour and courtesy. We provide a school community which is rich in variety and diversity, where young people of all abilities and cultural backgrounds work together to achieve their personal best.

### Transport

Buses: 184, 121, 125, W6  
Nearest stations: Southgate (Piccadilly Line)

### Type of school

Academy.

### Supplementary Information Form

A Supplementary Information Form (SIF) is not required.

### Uniform

All students in Year 7 – 11 are required to adhere to the schools uniform and appearance policy. There are also expectations of dress and appearance applying to Sixth Form students.

### Attendance, discipline and pastoral arrangements

The school requires high standards of behaviour and attendance. Parents are contacted daily if a child is absent. Year groups are led by an Assistant Head Teacher supported by Learning Mentors. There is a Head of Transition that oversees the primary-secondary transfer.

## Oversubscription criteria

(summary) see school website for full criteria

Up to 20 places will be allocated to children who show an aptitude for music. Each candidate will be invited to attend a written musical aptitude test at the Academy. Candidates will be notified in advance of the test date and venue. Further details are available from the Academy.

If there are more applications than the number of remaining places, places will be offered according to the following order of priority:

1. looked after children and previously looked after children, as well as internationally adopted previously looked after children, who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. children who have a sibling at the Academy at the date of application will be allocated places under this category by reference to the proximity of the child's home address. A "sibling" will include a full, half, step, adopted and foster brother or sister, as well as a child of a parent's partner with whom he or she has been cohabiting as if they were husband and wife or civil partners for a period of at least one year at the application deadline, and in all cases the sibling must be living permanently at the child's home address and being brought up within the same core family unit as a sibling to the applicant child.
3. children with a parent who has been employed by the Trust, excluding employees on a casual contract, a) for a period of at least two years at the application deadline, whether based at Ashmole Academy or Ashmole Primary School, or b) who were recruited to fill a vacant post for which there was a demonstrable skill shortage, will be allocated places under this category by reference to the proximity of the child's home address (as defined by this policy) to the Academy, with those living nearer receiving higher priority.
4. pupils at Ashmole Primary School (part of Ashmole Academy Trust) who are transferring into secondary education. Children will be allocated places under this category by reference to the proximity of the child's home address to the Academy, with those living nearer receiving higher priority.
5. all other children who do not fall into any of the categories above will be allocated places by reference to the proximity of the child's home address (as defined in the Academy's policy) to the Academy with those living nearer receiving higher priority. Distance is measured by the local authority in a straight line between the address point for the child's home, supplied by Ordnance Survey, to the school's main gate using the Council's computerised geographical information system.

### Waiting list

The names of all children who are unsuccessful in achieving a place in Year 7 [in the normal admissions round] will be automatically added to the waiting list for Year 7 until the end of July of the same school year in which they would otherwise be admitted.

### Late applications

Late applications will be accepted but will not be considered until after all of the applications received on or before the application deadline have been processed, substantially reducing the chance of achieving a place.

The full policy with additional document are available on the Ashmole Academy website.

### Facilities/Extra curricular activities

A purpose built school with outstanding facilities throughout. The school is very well resourced, has modern facilities and is fully compliant with needs for disabled access.

Extensive extra curriculum activities for all students in all year groups and all subjects.

## You and your child's progress

Ambitious targets are set for every child which are normally achieved. Progress is reported termly to parents. Progress towards targets is maintained regularly with parents able to see the progress being made.

## Curriculum and homework

The curriculum is designed to meet the needs of students with a wide range of talents and abilities. It is designed to stretch the most able, to provide support for those needing additional help and to provide an education suitable for all pupils.

In Years 7, 8 and 9 the school follows the National Curriculum. In Year 10 the school starts KS4 with GCSE options.

Homework is set in all subjects according to the timetable and increasingly available online.

The school provides a consistent high quality teaching throughout the school. Classes are initially mixed ability with setting progressively introduced from Year 7. There is a focus on practical and active learning. Students are thoroughly engaged and enjoy learning.

## Education after 16/ Sixth form curriculum

Ashmole has a vibrant and highly successful high performing Sixth Form. The school offers a wide range of A level subjects. The school has specialist programme for university preparation and for gifted and talented students.

## About our school

### Aims and expectations

We are a thriving Catholic comprehensive School located in East Finchley, that provides a value-led education which develops our pupils into well-rounded, mature, high-achieving young people. Our nurturing environment allows them to flourish and our pupils achieve outstanding results year on year.

We are an inclusive school (with nearly half of pupils belonging to other faiths or none) providing a vibrant and diverse environment which supports our pupils to grow into ambitious and resilient young people. It is our school mission that every pupil is unique and precious, so we put them at the heart of the curriculum and push them all to be the best that they can be.

This is complemented by a rich Personal Development programme, including trips overseas, educational experiences in the UK and a wide variety of high-quality clubs delivered onsite. We expect each of our learners to grow in empathy, reflection and generosity and to be committed to the common good. We are incredibly proud of the exceptional standard of education provided at the school and encourage you to visit and see for yourselves.

### Transport

Buses: 143, 263, 234, 232, 211, 102

Nearest stations: East Finchley (Northern Line)  
Finchley Central (Northern Line)

### Type of school

Co-educational comprehensive academy.

### Supplementary Information Form

A Supplementary Information Form (SIF) is required.

### Uniform

Our strong sense of community is reflected in our uniform, pupils are expected to wear with pride.

### Attendance, discipline and pastoral arrangements

Positive relationships are at the heart of everything we do. We have high expectations of attendance, punctuality and behaviour. A specialist team including the Head of Year 7 and dedicated pastoral team have developed our highly regarded programme, which ensures pupils experience a successful transition, and provide continuous emotional and academic support for all pupils in our care. We expect pupils to be reflective, resilient and kind in their behaviour and we have a clear and robust policy of rewards and sanctions. We reward good behaviour and support pupils in being diligent in their attitude to learning, and where mistakes are made, we help pupils reflect on how they can be better in the future. We strive to celebrate pupil achievement and have weekly assemblies of celebration where pupils are given the opportunity to be proud of their achievements.

### Oversubscription criteria

(summary) [see school website for full criteria](#)

Places will be offered according to the following order of priority:

### Foundation places (120)

1. Catholic children 'looked after' by a local authority and Catholic children who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following having been 'looked after'.

2. Baptised Catholics.
3. Other 'looked after' children and children who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following having been 'looked after'.
4. Other children who attend one of the Bishop Douglass feeder schools, i.e. St. Theresa's RC Primary, Our Lady of Lourdes RC Primary, Holy Trinity C of E Primary, Martin Primary and Manorside Primary.
5. Christians of other denominations whose application is supported by a letter from a minister/religious leader, showing membership of the faith community.
6. Children of other faiths whose application is supported by a letter from a minister/religious leader, showing membership of the faith community.
7. Any other candidate.

### Community places (60)

1. Children 'looked after' by a local authority and children who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following having been looked after.
2. Children who have a sibling attending Bishop Douglass School.
3. Any other candidate.

### Exceptional Circumstances

In addition to the above criteria, the Governing Body will give priority to an application within a category where compelling evidence is provided at the time of application of a particular medical, social or pastoral need which can only be met at this school. Appropriate written evidence will be required by professionals such as a doctor, social worker or priest, and must indicate how Bishop Douglass can meet this need.

The attendance of a sibling at the school at time of admission will give a higher ranking within each category. Siblings include half, step, adoptive and foster, provided they live at the same address as the candidate.

If the final place available at the school is offered to a twin, triplet or other child of multiple birth and the remaining sibling(s) would ordinarily be refused, the Governing Body will offer place(s) to the remaining sibling(s) even when admitting such a child(ren) would exceed the Published Admissions Number.

### Facilities/Extra-curricular activities

The school is set on an impressive site, well-equipped with excellent facilities which develop pupils into modern citizens, encouraged to develop a broad set of interests. Facilities include onsite pitches, a fully-equipped fitness centre, multi-court sports hall, multiple science labs, dance and drama studios, music technology labs, specialist art rooms, and over 500 student computers. The incredible amount of outdoor space caters for numerous outdoor activities, such as a range of sports clubs and teams; Duke of Edinburgh; a gardening club with links to Eco-Committee and the Bertha Earth programme. Pupils are supported in their studies through an online homework programme. To further support our pupils, we offer Evening Study until 6pm Monday to Thursday with a free hot meal, and a free breakfast for pupils arriving before 8:20am.

Our comprehensive extracurricular programme enables growth and development beyond the classroom. Subsidised music lessons provide the opportunity for pupils to acquire accredited grade qualifications and a rich choice of art, dance, drama and music clubs allow them to develop their creative talents.

Residential opportunities are provided for all pupils Year 7 to 10, including our Wider Horizons annual activities week which encompasses enriching trips, fun activities and the development of hidden curriculum skills. We take pride in empowering pupils to reach their potential across all subjects and set ambitious targets each academic year. Classes are of manageable sizes allowing teachers to target and stretch each individual.

Pupils are assessed throughout the year and progress against targets is monitored closely, and shared with parents through target setting days, consultations and reports.

This supportive approach enabled Bishop Douglass to be the 7th best school in the country, the country's best Catholic School and the best school in Barnet for the Government's Progress 8 measure for Summer 2019 results.

### Transition into Year 7

Investment in your child's future begins in Year 6 as soon as your child is offered a place. Throughout the Spring and Summer term, we maintain close contact through regular touch points: team building activities, induction days and summer school, to ensure every child is settled in long before their first day in September.

### Curriculum

We have a strong, broad curriculum and are proud of its ability to suit all learners. KS4 commences in Year 10 and allows pupils to study up to four Foundation Subject GCSEs in addition to the Core subjects. We aim to develop a passion for education through personalised pathways that develop each individual ensuring that every child can succeed.

Our PSHRSE programme allows pupils to develop important personal, social and intellectual skills. Pupils learn about careers throughout curriculum, employer and apprenticeship talks and are given opportunities and support to partake in work experience. A wide range of employers who work with our pupils to help them develop skills and learn about opportunities in the wider world of work.

### Sixth Form

We have a thriving and oversubscribed Sixth Form that secures excellent outcomes. The Sixth Form experience offers a personalised, stimulating and challenging environment which is designed to prepare students for the modern world and ensure future success. We offer 34 courses at Level 2 and Level 3. The majority of our Year 13 pupils leave to attend their first choice Universities.

## About our school

### Aims and expectations

At the core of Christ's College Finchley is a traditional education, steeped in history and enriched by an array of outstanding opportunities, inside and outside of the classroom. We advocate a holistic approach to education with a focus on the development of the whole child, not just their academic credentials, ensuring they are prepared to enter the world of higher education and work as resilient, confident and responsible young adults. We have a strong academic record with exceptional GCSE and A Level results and pupils progressing on to prestigious universities and high-flying careers.

### Transport

Buses: 143 and 643  
Nearest stations: Finchley Central (Northern Line)  
East Finchley (Northern Line)

### Type of School

Mixed Comprehensive.

### Supplementary Information Form

A Supplementary Information Form (SIF) is not required.

### Specialism

Mathematics and Science

### Uniform

We have high expectations of our pupils in terms of their uniform, building a sense of pride, creating a positive environment and preparing them for working life. We have a traditional, professional uniform style where all pupils in Years 7-11 must wear a tie and blazer. A separate dress code operates in the Sixth Form.

### Attendance, discipline and pastoral arrangements

We have high expectations of attendance, punctuality and behaviour. We pride ourselves on treating each young person as an individual and pupils benefit from tailored levels of support dependent on their need; all aspects of their school life are scrutinised to ensure they achieve their potential. From those who are the most able to those who require additional support, we ensure that everyone is stretched and challenged.

### Oversubscription criteria

(summary) see school website for full criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. children applying who are in the care of a local authority or who were previously in care but who have since been adopted or made the subject of a child arrangements order or special guardianship order.
2. children who, at the time of admission, have a sibling living at the same address in Years 7–11 at the school (or who is in Years 12 or 13 if they previously attended in Years 7–11 for at least one year). Siblings will include step siblings, foster siblings and adopted siblings. It will not include other children living permanently at the same address.
3. children who, at the time of admission, have a sibling as defined above living at the same address in Years 7–11 at our partner school Copthall School (or who is in Years 12 or 13 at Copthall School, if they previously attended Copthall School in Years 7–11 for at least one year).
4. children of members of staff at either Christ's College Finchley or Copthall School, provided they have been directly employed at the school / for a minimum of two years or have been recruited to fill a post where there is a demonstrable skills shortage. (The definition of a direct employee is an employee holding a contract of employment with the school).
5. remaining places will be offered on a geographical basis measuring distance in a straight line from the address point for the child's home, supplied by Ordnance Survey, to a point at the centre of the school main building using the Council's geographical information system. Where a child lives with parents with shared responsibility, (with each parent for part of a week), the child's home address will be taken to be the address of the main parent/carer eligible to receive Child Benefit and/or Child Tax Credit.

### Facilities/Extra-curricular activities

Our facilities support pupils' studies, facilitate enrichment activities and ultimately provide an active learning environment for our young people. These include well-resourced classrooms, science laboratories, fully-equipped technology rooms, library, 3G pitch, sports hall, fitness suite and gymnasium.

We have developed an extensive enrichment programme designed to complement pupils' studies and prepare them for their futures through the development of key life skills and qualities. From an array of national and international trips and sports, arts, music and languages clubs to the Combined Cadet Force, Duke of Edinburgh and leadership and mentoring roles, there is something for everyone.

Our thriving sports department regularly produces championship winning teams in basketball, football and cricket and we also excel in individual sports. We have a highly successful chess club with nationally ranked players who represent the UK and we have been national champions in Robotics in previous years.

### You and your child's progress

Moving from primary school to secondary school is a very important step in the life of a child and their family so we make every effort to make this transition as smooth and enjoyable as possible. Our designated transition coordinator runs a highly regarded transition programme that starts long before the first day of term, providing many opportunities to meet staff and peers as well as experience secondary school life.

Throughout their time at Christ's College Finchley, pupils' progress is monitored closely and assessed formally against aspirational targets set by the school each half term. Every year group has a parent consultation evening and a full report is produced for each pupil every year. The school prides itself on being welcoming to parents and places great emphasis upon forging productive links with families to support pupils' learning.

### Curriculum and homework

Pupils follow a broad curriculum that seeks to challenge, motivate and inspire. In KS3, they gain a comprehensive understanding in the core subjects of English, mathematics and the sciences. This is further enriched by physical education, languages, arts, humanities and technology. In KS4, pupils personalise their learning to their strengths, interests and future ambitions. By providing pupils with enriching educational experiences, we aim to help them mature intellectually, physically and emotionally.

### Teaching and learning

Our outstanding teachers and their dynamic approach to delivering a traditional education through a contemporary curriculum and modern teaching methods allows us to nurture each pupil's talent.

***"Pupils experience an environment which develops their character, interests and passions."*** Ofsted 2020

### Education after 16 / Sixth form curriculum

Our commitment to academic success continues into our Sixth Form. Through a tailored curriculum, exceptional opportunities, experienced staff and close links with business and educational establishments, we prepare our students for an exciting world of opportunities. We ensure they achieve top academic results and develop as well-rounded individuals ensuring they stand out when applying to universities or employers. This is evident with our alumni continuing to surpass all expectations, with many progressing to prestigious top universities, including Oxbridge, Queen Mary's, Kings College, UCL and Imperial College London and then stepping into high flying careers.

***"Students in the Sixth Form act as role models, and mentor their younger peers. They are proud of their academic achievements and understand how these will help them secure a place at the universities of their choice."*** Ofsted 2020

## About our school

### Aims and expectations

Our aim is simple: to deliver the best possible education for all students to maximise their achievements so that they are academically, socially, and emotionally ready to take their place in society as successful adults. The Compton is recognised as one of the best comprehensive schools in the country and has been rated "outstanding" by Ofsted four times, most recently in January 2018.

At The Compton, we believe that all students can learn and fulfil their potential. As a school with a national reputation for excellence, we recruit some of the best staff who provide outstanding teaching and support each child to achieve their very best. The school provides a safe and happy school community made up of children from diverse cultural and social backgrounds. An innovative programme of Student Leadership and a diverse Enrichment Programme ensure students develop a wide range of social and personal skills and become confident young adults during their time with us.

### Transport

Buses: 43, 134, 221, 234, 382

Nearest stations: West Finchley (Northern Line)

Woodside Park (Northern Line) New Southgate

(Overground) Arnos Grove (Piccadilly Line)

### Type of school

Co-educational comprehensive converter academy.

### Supplementary Information Form

A Supplementary Information Form is not required.

### Specialism

School-centred initial teacher training provider (SCITT) and delivery of the National Teaching School Hub for the local area.

### Uniform

The Compton has a strict uniform policy which students are expected to always follow including on the way to and from school. Our uniform is traditional in style and includes a blazer and tie for both boys and girls. Sixth Formers are expected to wear formal business wear.

### Attendance, discipline and pastoral arrangements

Our comprehensive and highly effective pastoral care system ensures that each student feels individually supported in achieving their very best from their first day. Central to this is their Form Tutor, who they see daily for Personal Development Time, and a Year Manager, who is a non-teaching member of staff that stays with your child for five years and oversees their personal and academic development.

We run an excellent induction programme in close partnership with our feeder primary schools to help familiarise students with the school well before the first day of term. The Compton operates a Positive Behaviour Policy where excellent behaviour for learning and positive contributions to the school community are rewarded. Alongside this, students are familiar with the clear framework of consequences of poor behaviour. Excellent attendance and punctuality are also expected.

## Oversubscription criteria

(summary) see school website for full criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. 'Looked after' children and children who were 'looked after' but cease to be so because they were adopted, or became subject to a residency order, or special guardianship immediately following having been 'looked after', children applying who are in the care of a local authority under the provision of the Children Act 1989 or those children who appear to the Admission Authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children who, at the time the application for admission is made, have a sibling at The Compton in years 7 – 11 or a sibling in the 6th Form who previously attended The Compton School for at least one year prior to Year 12.
3. Children of staff of The Compton School where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made.
4. Remaining places, out of 180, are offered on a geographical basis measuring distance in a straight line from the school. Distance is measured in a straight line between the address point for the child's home, supplied by Ordnance Survey, to the school's main gate using the Council's computerised geographic information system.
5. An additional planned 30 places are offered at Year 7 secondary transfer to children from the agreed feeder schools in the N2 and N3 postcodes according to the following quotas: 16 places to Moss Hall Junior School, 7 places to Manorside School and 7 places to Martin Primary School.

The allocation will be offered to children from each of these schools based on geographical distance in a straight line from their home to the Compton School. If the quota of children from any one of these feeder schools is not reached the remaining places will be offered to children from the other two schools based on geographical distance.

Any of the remaining places not taken up by children from the three feeder schools will be offered in accordance with the information above up to a maximum limit of 210 places.

## Facilities/Extra-curricular activities

The Compton offers learning environments that are modern, attractive and safe for our students. Students' access to ICT resources is excellent, with over 350 computers in the school and a range of extra new technologies for students use.

Large numbers of students are involved in extra-curricular activities including Creative Arts, Drama, Music and Physical Education. We also have a range of KS3 extra-curricular opportunities, which includes cookery, chess, art and gardening and departments run homework clubs and revision classes on a regular basis.

A great variety of day and residential trips take place throughout the year, including visits to the West End theatres, museums, field trips and international residential trips, like to The Azores in 2023.

## You and your child's progress

At The Compton, we recognise that the relationship between the school, the student and the parent is very important, and we work with our students and their families in a three-way partnership. This process begins with our Three-Way Contract and is supplemented by interim reports, parents' evenings, and information evenings, like 'Welcome to Year 7 Evening'.

## Curriculum and homework

The curriculum we offer is:

- broad and balanced
- engaging and challenging, with plenty of opportunities provided for students to develop their knowledge beyond what is taught in the classroom
- reflects our commitment to students achieving their best
- promotes students' spiritual, moral, cultural and physical development
- prepares students for opportunities, responsibilities and experiences of adult life
- promotes the ability to work effectively, both independently and as a member of a group.

Students are issued with homework through an online resource (Satchel One) which parents can also access. A homework timetable is issued to parents and students at the start of the academic year.

## Teaching and learning

A consistently high quality of teaching is delivered throughout the school and the school was last judged to be 'outstanding' by Ofsted in 2018. Achievement is recognised and rewarded throughout the year and at celebration evenings. Classes are initially taught as mixed ability with setting introduced from Year 7 in Mathematics and streaming from Year 9 in Science.

## Education after 16/ Sixth Form curriculum

Throughout their time at The Compton, students form strong bonds with their teachers and, for the vast majority, their journey at the school last seven years. We also attract a large number of external students and this ensures a vibrant and positive atmosphere in the Sixth Form. A wide variety of Advanced Level courses are offered as well as a broad enrichment programme. High quality pastoral support is available to all students as well as specialist university preparation and careers guidance.

## About our school

### Aims and expectations

Our school is committed to providing an 'Excellent Education for All' so that our students leave us with the skills, wisdom, knowledge and hunger to pursue their dreams and fulfil their ambitions. We build our curriculum to encourage a love of learning which is supported by our pastoral system to ensure our students are safe and happy.

Our long-standing vision; to empower and equip young women to exceed, to provide an inspiring education and to create a positive learning environment motivates all that we do and as a values driven school, our core values of Respect, Equality for All, Support and Safety, Aspiration and Responsibility underpin our transformed school. We now have a well-established collaboration with Mill Hill Independent School, which enables joint opportunities for students and staff, including leadership, tutoring, philanthropy, extended projects and a variety of bespoke programmes.

We provide a range of extra-curricular opportunities including bespoke STEM trips which draw upon the curriculum offer our students receive in their lessons.

Our team of dedicated staff set high expectations for our students and create a passion for learning. We aim to provide a safe and nurturing environment to foster, encourage and celebrate every student's talent; which is mirrored in our promise that every student will be supported to develop the skills and strategies needed to fulfil their potential, and no child will be left behind.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. Looked after children (LAC) and previously looked after children (PLAC), who were adopted (or subject to child arrangement orders) immediately following having been looked after, as well as internationally adopted previously looked after children (IAPLAC), those who appear (to the Admission Authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. children who, at the time of admission, have a sibling living at the same address in Years 7-11 at the school (or who is in Years 12 or 13 if they previously attended in Years 7-11 for at least one year). Siblings will include step siblings, foster siblings and adopted siblings. It will not include other children living permanently at the same address.

(The definition of a direct employee is an employee holding a contract of employment with the school).
4. remaining places are offered on a geographical basis, with priority given to those who live closest to the school. Distance will be measured in a straight line from the address point for the child's home, supplied by Ordnance Survey, to the school reception front door using Barnet's computerised geographical information system.
5. Distance will be used as a tie breaker within each category.
6. If two or more children with the same priority for admission live an indistinguishable distance

from the Academy but cannot all be admitted, then the available places will be decided by random allocation using Barnet's computerised system. If the last student to be offered a place within the Academy's published admissions Number (PAN) is a multiple birth or the same cohort sibling, any further same cohort sibling will be admitted.

## Facilities/Extra-curricular activities

The school has good facilities to meet the needs of the curriculum. These include outside spaces – field, tennis courts, outside gym, science laboratories, a specialist dance studio, well equipped DT workshops, Art and Textiles facilities including a dedicated photography room, ICT suites where we have invested in modern computers and network infrastructure and a library.

Each classroom is equipped with interactive whiteboard technology. The school has a number of clubs and activities which take place during lunchtime and after school. A programme of the clubs and activities is circulated at the start of the year.

The school also organises a range of trips and cultural experiences. These include trips to the theatre, dance workshops, museums, outward-bound activity days and some residential opportunities including the Duke of Edinburgh.

## You and your child's progress

We work closely with parents to celebrate students' progress and identify areas for development, implementing intervention sessions where necessary. We regularly publish reports and host Parents' Evenings throughout the year. Aspirational targets are set for all students, allowing them to reach their full potential and making the tracking of progress for parents and students clear.

## Curriculum and homework

Our curriculum is broad and balanced and is tailored to meet the needs of all our students. Homework tasks are designed to build-on and consolidate students' understanding of topics while also nurturing students to become independent learners. In

order to help students organise and plan their time, homework tasks are published online for parents and students to view. Our Key Stage 4 curriculum offers GCSE and Vocational pathways which are reviewed each year to accommodate curriculum changes and meet the needs of our students across all key stages.

## Teaching and learning

Our vision for teaching and learning is 'A positive learning environment that inspires a passion for learning, so that every student progresses and thrives.' We have a strong system for encouraging good behaviour for learning, with an emphasis on rewards for students who behave extremely well. We have dedicated specialist teachers who are passionate about their subjects and share their passion with our students. We have clear routines and purposeful teaching strategies in place to make sure that every student is supported to make progress and thrive.

## Education after 16/ Sixth form curriculum

Our Sixth Form is made up of both internal and external students. Students receive a good level of education which is exciting, challenging and highly creative enabling our students to access academic challenge. We have a dedicated Sixth Form annex with cafeteria, study and meeting areas. The Sixth Form curriculum offers students a wide range of courses for all ability of students, including A Level subjects, BTEC options and Vocational pathways alongside our extensive tutorial, 'skills for life', 'lead the way' and careers programmes. Our pastoral care is paramount to the wellbeing of our students and we have many internal and external staff and agencies that work with our students, including a Careers Advisor. We also have very robust and successful Work Experience, Oxbridge and UCAS programmes, which help our students to prepare for their next step.

## About our school

### Aims and expectations

At East Barnet School we are committed to developing life-long learners who excel academically. With year-on-year A-Level results that continue to rank us as one of the highest performing schools in the country, we have high expectations of all students. Starting in Year 7, we build the foundations for success with an “ambitious curriculum [and] exciting and stimulating learning environment” (Ofsted), that students enjoy. In addition to academic achievement, we develop the whole person by building students’ character, through social, emotional and mental health support. Attaining the ‘School Mental Health Award’ has equipped us with tools to build resilient young people that are ready to embrace the wider world. To achieve both our aims and to nurture our culture we have two unequivocal values: “I want to learn” and “Do the right thing”. Students embrace and strive to accomplish these values, and are rewarded when they do so.

To create a positive learning environment, we utilise four priorities: Curriculum, Communication, Sustainability and Consistency, providing a stable setting on which students can rely. Well-structured lessons encourage the contribution of ideas and respect for the views of others, whilst weekly ‘Triple-E’ allows students to explore concepts purely focused on inspiration, enjoyment, curiosity and discovery. During recreational breaks and outside of school, students have the opportunity to participate in a wide-range of extra-curricular activities, building confidence, imagination and teamwork.

As a culturally diverse school, we recognise the multi-cultural, multi-faith and ever-changing nature of the UK. We follow equality guidance which guarantees no discrimination against any individual or group. Our curriculum prepares students with the skills they need for life and facilitates career aspirations.

### Supplementary Information Form

A Supplementary Information Form (SIF) is not required.

### Specialism

Technology College, Leadership Partner School.

### Uniform

All Year 7-11 students must adhere to the school’s strict uniform policy.

### Attendance, discipline and pastoral arrangements

In order to safeguard our students, we work closely with all members of the EBS community to provide a safe and secure environment. During the last few years, our Pastoral Team has contributed to the reputation of our school as a supportive place. The excellent attendance of students reflects the genuine enjoyment and safety they experience here.

We have very high standards of discipline, both inside and outside the classroom; low-level disruption is not tolerated and this is applied consistently across the school. Behaviour outside of lessons is “calm and orderly” (Ofsted) and students socialise happily across year groups. We regularly welcome leaders from other schools to view the behaviour systems we have in place at EBS.

## Oversubscription criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. a 'looked after' child or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A 'looked after' child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions.
2. a child with a sibling attending the school at the time of application\*. Sibling is defined in these arrangements as a child who lives as brother or sister in the same house, including natural, adopted, step and foster brother and sister.
3. a child of an East Barnet School member of staff, providing that the member has been employed for a minimum of two years at the time of application\*, or is recruited to fill a vacant post for which there is a demonstrable skill shortage. 'Staff's Child' is defined in these arrangements as a child who lives as the staff member's son or daughter in the same house, including natural born, adopted, step and foster son or daughter.
4. other children by distance from the school, with priority for admission given to children who live nearest to the school. Distances are measured in a straight line from the main gate of the school to the address point for the child's home, as supplied by Ordnance Survey. The distance between these points is calculated using Barnet Council's computerised geographical information system random allocation will be used as a tie-break to decide who has highest priority for admission if the distance between the school and the home of two children is the same.

## Facilities/Extra-curricular activities

The school is contained on a single-site £30 million modern state-of-the-art building, boasting sports facilities such as tennis courts, sports hall, dance hall and 3G Astroturf, independent study areas, and a flourishing allotment to support our responsibilities in reducing our carbon footprint. We have a discreet Sixth Form study area, a fabulous library with fantastic views of London, a unique Sixth Form Coffee Shop, large and fully equipped classrooms and amazing Project Faraday experiments. We are also fully accessible for disabled access.

We have literally hundreds of extra-curricular clubs, activities and trips on offer – including the legendary ski trip which has run annually since the 1960s! Clubs includes a wide range of sports, art, music, drama, eco, design and technology, and computing. Additionally, we have lectures from eminent speakers, and students are able to work with artists, authors and designers in residence on various projects that can be seen around the school.

### You and your child's progress

All parents receive a termly report for their child, and are invited to attend an annual Parents' Consultation Evening. A student's progress can also be monitored by parents through the school's MCAS app. Heads of Year along with Heads of Subject and Faculty will contact parents if they have any concerns or notice a change in attitude, motivation or progress.

Upon joining East Barnet School, parents, students and a school representative will sign the Home-School Agreement which states the commitment of all parties towards making our relationship positive and successful. Students are rewarded when they demonstrate our school values of "*I want to learn*" and "*Do the right thing*"; earning individual awards and points for their Houses.

## Curriculum and homework

Our curriculum is designed to support the needs and talents of all our students. It provides stretch and challenge for students of all abilities and all key stages, as well as opportunities to learn in innovative ways through Triple-E School, extracurricular activities, lectures from eminent speakers, our More Able Programme and options to work with artists, authors and designers in residence. Our PSHEE programme allows students to develop important personal, social and intellectual skills. We have a Disruption Free Learning (DFL) policy in place to ensure maximum learning in the classroom.

Homework is set in all subjects in line with school policy and student timetables.

### Teaching and learning

The school provides students with high calibre and innovative lessons, as well as many learning experiences beyond the classroom. Subjects are taught in both mixed ability and set groups as students move up through the years. The focus is on developing independent learning skills and active learning. The school's learning culture promotes positive relationships between students and teachers. We also challenge the students to think creatively and encourage them to demonstrate curiosity about the world around them.

### Education after 16/ Sixth form curriculum

The vast majority of our Year 11 students choose to continue their education in our highly successful Sixth Form; and a significant number of external students also choose to join us at this stage of their education. The school offers nearly 30 A-Level courses, and many opportunities for developing leadership skills. The Sixth Form has an enviable record in A-Level examinations and the vast majority of students secure university places.

### Attendance, discipline and pastoral arrangements

Student attendance is vital to success and is closely monitored by the pastoral teams. A significant proportion of our students achieve 100 per cent attendance and punctuality. As a school, our attendance level is one of the highest in the Local Authority.

## Oversubscription criteria

(summary) see school website for full criteria

Where the number of applications exceeds the intended number of admissions, places will be awarded using the criteria set out below, which will be applied in strict priority order:

1. Baptised Catholic 'looked after' children and baptised Catholic boys who have been adopted (or made subject to a child arrangements order or special guardianship order) immediately following having been 'looked after' (in the care of the local authority).
2. Baptised Catholic siblings of current or past pupils of the school with a Certificate of Catholic Practice.
3. Baptised Catholic children of members of staff who are employed by the Governing Body and have been in post for at least two years, at the time of application; with a Certificate of Catholic Practice.
4. other baptised Catholic boys with a Certificate of Catholic Practice.
5. other baptised Catholic boys.
6. other 'looked after' male children and children who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following having been looked after (in the care of the local authority).
7. non-Catholic children of members of staff who are employed by the Governing Body and have been in post for two years, at the time of application.
8. boys of other faiths or none.

Applications must be supported by:

- a Baptismal Certificate in the Catholic faith (criteria 1-5)
- a current Certificate of Catholic Practice signed within six months by the family's parish priest or by the priest of the parish in which the family normally worship
- Copy of proof of residential address where the applicant lives for more than 50% of the school week, within the last 12 months.

## Waiting list

Unsuccessful applicants will be invited to join the waiting list which will be maintained in the order of the oversubscription criteria until the end of the academic year.

## Late applications

Late Applications for Secondary Transfer will only be considered in the normal admissions round if there are extenuating circumstances for the delay. All such applications will be considered by the admissions authority.

## Facilities/Extra-curricular activities

The school is located on an attractive campus containing a variety of buildings and different architectural styles. In addition to the main teaching blocks, there are two gymnasias, an all-weather sports pitch, an on-site cafeteria and a large School Hall. We have a purpose built 6th form area as well as a newly refurbished professional standard food technology area. Off-site sports pitches and pavilion are located a short walk from the school.

The school is committed to the development of the whole person and affords many opportunities for growth and development beyond the classroom. Sport is a particular strength as are Music and Drama. A wide range of enrichment opportunities exist for students, from sailing, singing, medical society, debating and theatre trips.

## You and your child's progress

The school aims to build a strong partnership with parents. To that end, parents are kept well informed about their child's progress and are encouraged to take an active role in supporting their learning. We also have an 'open door' approach to facilitate this effective partnership.

## Curriculum and homework

Students follow a common curriculum in KS3 during Years 7, 8 and 9. They are taught in sets for Maths from Year 7, in Science from Year 8 and in mixed ability forms for other subjects. KS4 commences at the beginning of Year 10 and GCSEs are studied over two years.

A wide range of A levels are offered at post 16 level. Please see the website for full details.

A homework timetable is produced for all year 7 – 11 students at the start of the year.

## Teaching and learning

Teaching and Learning is our core business and is at the very heart of what we do as a school. At FCHS we accept as the underlying principle of our work that all students can achieve and make excellent progress in all areas of their development, irrespective of their starting points.

Effective teaching and learning is achieved through using a variety of teaching styles, planning lessons carefully and making good use of the available technology.

## Education after 16/ Sixth form curriculum

Students enter the Sixth Form on Level 3 courses. They choose three to four A level options from an extensive range. The majority of our students leave our 6th form to attend University or commence degree apprenticeships.

## About our school

### Aims and expectations

Friern Barnet School is a vibrant, culturally diverse, mixed comprehensive specialist arts school. In line with our school motto, 'Enjoy and Excel', we are hugely ambitious academically for all our students, ensuring that they secure the results to go on to excellent further and higher education institutions and then on to fulfilling careers.

But we also want them to live lives which are personally and socially fulfilling, developing a love for art, music, dance, theatre and culture which will enrich the whole of their lives. Our desire is that students leave us as mature, independent learners who are also engaged and responsible citizens.

We have high expectations of all our students, helping them develop self-esteem and respect for others. We work with them to help all students make a positive contribution to both the school and the local community.

### Transport

Buses: 43, 134, 221, 234 and 382

Nearest stations: New Southgate (Overground), Arnos Grove (Piccadilly Line), Woodside Park (Northern Line)

### Type of school

Co-educational comprehensive community school.

### Supplementary Information Form

A Supplementary Information Form (SIF) is not required.

### Specialism

Performing and Visual Arts.

### Uniform

Uniform is central to the sense of community within our school and we have high expectations of our students. Students must be smart and reflect a positive attitude to learning both in and on their way to and from school, remembering they are representing Friern Barnet School in the wider community.

### Attendance, discipline and pastoral arrangements

Our inclusive family ethos, based on respect, responsibility and relationships, underpin our school. From the first day, your child will be effectively supported in our caring community. Central to this is your child's tutor group, enabling students to form strong and positive relationships throughout the school. Form Tutors closely monitor academic and personal development and are the first point of contact for parents, creating that important link between school and home.

All students are expected to maintain the highest standards of behaviour and take pride in their work and their learning environment. Every student is a valued member of the school community and achievement is celebrated at every opportunity. Excellent attendance and punctuality are expected. Through our exemplary transition arrangements, support for students starts in primary school.

### Oversubscription criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. 'looked after' children and children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been 'looked after', as well as those who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child looked after is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989.
2. children who, at the time of admission, have a sibling living at the same address who is a pupil in years 7 – 11 of the school, or who is attending the linked 6th Form College, Woodhouse College, if they previously attended in years 7 – 11 for at least one year. Siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant.
3. children of teaching staff of the school where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and will be in employment as a teacher at the school when the child starts school.
4. priority will be given to a maximum of 16 pupils who show performing arts potential in dance, drama or music.
5. remaining places are offered on a geographical basis, with priority given to those who live closest to the school when measuring distance in a straight line. Distance is measured between the address point for the child's home, supplied by Ordnance Survey, to the school's main gate using the Council's computerised geographical information system.

### Tie Breaker

Distance will be used as a tie-breaker within each category.

### Final Tie Breaker

Applicants from the same block of flats, or applicants who live the same distance from the school will be selected in random order using Barnet's computerised system and places will be offered accordingly.

### Facilities/Extra-curricular activities

Friern Barnet has an excellent and diverse range of extra curricular arts provision and students of all abilities enjoy taking part. The school holds the Artsmark Gold Award and has won a number of recent, prestigious national awards. Students regularly produce high quality dance, drama and music performances and there is an annual art and design exhibition. Students perform in school and to wider audiences. Many students enjoy sport and participate in our extensive programme which includes athletics, badminton, trampolining, football, rugby, cricket, table-tennis and basketball.

In addition, we have an exciting extra-curricular programme which includes Media and Film Club, Science Club, English 7Up Club, ICT Club, Photography Club, Year 7 Writers' Group, Chess and Debating Clubs to name but a few.

A great variety of day and residential trips take place throughout the year, including visits to art galleries, museums and the theatre and field trips in Geography and Science. We have regular trips to Europe and welcome international visitors to our school.

### You and your child's progress

We have careful monitoring procedures to ensure that every student achieves their potential and is happy at school. We believe that for successful education to take place there must be a strong partnership between school and home.

Within the first month of your child being at the school we hold a Year 7 Settling In Evening and at the end of the first half term, a celebration event for Year 7 students takes place, reflecting their learning during their first 6 weeks at the school.

We hold a target review day in the autumn term where parents can meet form tutors to discuss targets and we hold parents' evenings throughout the year so that parents can meet with subject teachers to discuss progress.

There are many occasions to celebrate students' achievements at our prize giving evenings and at the many performances and productions throughout the year.

### Curriculum and homework

Students at Friern Barnet School experience a broad, balanced and innovative curriculum. Programmes of personalised learning ensure every student's needs are met and their progress is outstanding.

Home Learning is an important aspect of students' education and plays a significant part in raising achievement. This is set regularly in every subject and gives an opportunity for students to learn independently.

### Teaching and learning

Learning is at the heart of our school and we are constantly seeking to make this experience engaging, enjoyable and enriching. High expectations, stimulating lessons and a wide range of extra-curricular opportunities ensure all students are challenged to discover and develop their talents.

### Education after 16/Sixth Form curriculum

Students at Friern Barnet School gain preferential places at Woodhouse College where they can study a wide range of post-16 courses including AS and A level. We also have strong links with other sixth forms and colleges across North London. Many of our students progress on to leading universities including Oxford and Cambridge.

## About our school

### Aims and expectations

Hasmonean High School combines the secular with the religious, within a framework of Torah Im Derech Eretz (respect for others, both within the school community and in the wider world). Academic rigour is combined with in-depth Torah study, incorporating values such as chesed (caring, kindness) and tzedokah (charity).

The ethos of Hasmonean High School is based unambiguously on the principles of Orthodox Judaism. At the core of these principles is the recognition that both the written and the oral Torah are Divine. The principles are enshrined in the Shulchan Aruch, the Code of Jewish Law and its commentaries which delineate the laws, customs and values of an Orthodox Jewish lifestyle.

It is the school's aim to maximise the individual capabilities of its students to provide them with the knowledge and skills that will enable them, subsequently, to take their place in society whether in the worlds of Jewish learning, teaching or social service, or in the general academic, professional or business worlds.

### Transport

Bus: 240  
Nearest station: Mill Hill East (Northern Line)

### Type of school

Jewish orthodox academy for boys which is part of the Hasmonean Multi-Academy Trust.

### Supplementary Information Form

A Supplementary Information Form (SIF) is required.

### Uniform

All students are expected to adhere to the school's uniform policy. Details are distributed to parents in the Welcome Pack.

### Attendance, discipline and pastoral arrangements

At Hasmonean we aim to maximise the potential of every student within a positive, safe and supportive learning environment. Self responsibility is encouraged through rewards and sanctions. Regular attendance and punctuality are viewed as crucial factors which contribute to maintaining high academic progress and achievement.

Support strategies include: tracking, monitoring and intervention; staff mentoring; peer mentoring; pastoral focus on specific groups; and meetings with the Pastoral Team and School Counsellor.

## Oversubscription criteria

(summary) see school website for full criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. 1. Orthodox Jewish children who are 'looked after' (LAC), previously 'looked after' (PLAC) or internationally adopted previously 'looked after' (IAPLAC) as defined by the Admissions Code.<sup>1</sup>
  2. Orthodox Jewish students with medical or social grounds for admission to this school in particular. Supporting evidence from a suitably qualified professional will be required.
  3. Orthodox Jewish students whose siblings are at either HHS for Boys or HHS for Girls at the time of admission.
  4. Orthodox Jewish students who are only or eldest children (due to the difficulty in our community for only or eldest children securing a place at a Jewish school).
  5. Orthodox Jewish students whose siblings are former students of HHS for Boys or HHS for Girls or Hasmonean High School when it incorporated both schools.
  6. all other Orthodox Jewish students.
  7. Looked after children (LAC, PLAC and IAPLAC) other than those who are Orthodox Jews (see footnote 1).
  8. other children.
- A. A child must observe and practise Orthodox Jewish traditions and practices as set out in Parts 1 & 2 of our Rabbi reference form. In the event of any dispute as to whether a child meets these criteria, the authority of the Rabbis of the Jewish Secondary Schools Movement is final.

- B. A child must also have a parent or guardian who observes Orthodox Jewish traditions and practices according to the criteria set out in Parts 1 & 2 of our Rabbi Reference Form.

Confirmation of the above will be required through completion of our Rabbi Reference Form.

In each category priority will be given to those living nearest the school by straight line measuring using the Local Authority's measuring system.

### Waiting list

Barnet will maintain a waiting list for the new Year 7. Children will be placed on the list in accordance with the above criteria. Children will move down the list if children with a higher priority are added. This waiting list will remain open until 31st December 2024.

### Facilities/Extra-curricular activities

An extensive programme of enrichment is delivered within and outside the curriculum. There are an array of clubs which run after school and numerous societies devoted to volunteering and charity work.

### You and your child's progress

All students in Key Stages 3 and 4 are assessed by their teachers using a combination of in-class activities and tests at regular intervals. They are awarded an assessment level or GCSE grade. In addition, targets are set in each subject based on past performance which challenge each at their own level. These grades, along with comments and advice, are communicated to parents in a concise report. Interviews and support are provided regularly to help students achieve their targets.

## Curriculum and homework

Hasmonean follows a three year Key Stage 3. Students choose courses for Key Stage 4, and then again for the Sixth Form. A rigorous course of Jewish Studies is compulsory throughout the Key Stages.

Homework is set on a regular basis, often as a project. Online portals are used to set and monitor homework including Google Classroom.

## Teaching and learning

The central focus of teaching and learning at Hasmonean is to raise the achievement of our pupils. We are geared towards continuous improvement and there are high expectations for both pupils and the teachers. The school is committed to Assessment for Learning whereby pupils are made aware of the level at which they are working and know what to do to reach the next stage. Teachers are expected to set clear expectations and model positive attitudes to learning to help pupils become independent learners who are committed to lifelong learning and able to cope with the demands of adult life. We offer blended learning using Chromebooks in our classrooms.

## Education after 16 / Sixth Form curriculum

Students are given guidance in Year 11 to help them select their A Level subjects. Further Sixth Form vocational courses are available. Students at Hasmonean almost invariably go on to further academic study of both Jewish and secular learning. As well-rounded scholars, they are fully equipped for further learning and the world of work and to take their place in the Jewish and wider community as active and responsible citizens.

<sup>1</sup> The definition of a 'looked after' child has been widened to include 'looked after' children and children who were adopted (or subject to child arrangement orders or special guardianship orders) immediately following having been 'looked after'. Additionally those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A 'looked after' child is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. An adopted child is defined by section 12 of the Adoption Act 1976 and section 46 of the Adoption and Children Act 2002. Child arrangement orders are defined in Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangement orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangement order. A special guardianship order is defined by section 14A of the Children Act 1989.

## About our school

### Aims and expectations

Believe, Achieve, Lead, Belong

At Hendon School students are part of a thriving learning community where everyone is valued. Working in partnership with parents and carers we aim to get the best out of every student. This is why we put learning and teaching at the heart of everything we do. The strong curriculum extends beyond the classroom with students enjoying success in an impressive range of creative, sporting, technological and enterprise activities. Leadership flourishes and many students have been recognised nationally and internationally for their contributions to citizenship. Hendon is a happy, vibrant and purposeful school. We foster an ethos of respect and mutual support and strive to ensure that our students gain the results and skills they need to follow their chosen pathways at university, in further education or employment. Our students leave school prepared for the challenges of adult life and ready to make a valuable difference to society.

### Supplementary Information Form

A supplementary Information Form (SIF) is not required.

### Uniform

Students are expected to wear school uniform.

Information about our uniform can be found on our website.

### Attendance and pastoral arrangements

Pastoral care and inclusion are of exceptional quality at Hendon School and transition from primary to secondary is well supported. We aim to nurture the whole child and ensure that students develop positive moral values which enable them to make valuable contributions to both school and in wider society. Students are expected to maintain a minimum 96% attendance, given the proven link between good attendance and attainment.

High standards of behaviour are expected and students joining the school agree to abide by our Code of Conduct, school rules and behaviour code. The Home School Agreement sets out the expectations and responsibilities of the school, the student, and their family. Excellent systems are in place to support our students through their education. Every student has a tutor who knows the child well and is the main point of contact for parents.

## Oversubscription criteria

(summary) see school website for full criteria

Year 7 applicants are required to take a standardised national test (this will consist of verbal, non-verbal and numerical reasoning tests set by the NFER). On the basis of the results of the test applicants are placed in one of three bands:

Band A: scoring equivalent to the top 25% of the population as a whole – 25% (50) places

Band B: scoring equivalent to the middle 50% of the population as a whole – 50% (100) places

Band C: scoring equivalent to the lowest 25% of the population as a whole – 25% (50) places.

Once placed within a band, the actual standardised score and the position within the band are disregarded.

Where applications exceed the number of places available, the following criteria will be applied in order to decide which students to admit. The criteria are applied independently to the groups of applicants in each band in the sequence indicated in order to determine the offer of places.

In the event of under application to any band whilst the school remains overall oversubscribed, applicants will be selected from the adjacent band (in the case of band B, alternatively from bands A and C) on the basis of the criteria listed. In the event of there being no further applicants in the adjacent band, places will be offered on the basis of the criteria below to any remaining applicants irrespective of band.

1. all looked after children and previously looked after children (see the definition in Section 22(1) of the children's act 1989) for whom placement at Hendon School is deemed by the London Borough of Barnet to be appropriate.

2. children who are deaf or who have an Autistic Spectrum Condition (ASC) for whom placement at Hendon School is deemed by the London Borough of Barnet and the school to be appropriate. The PDS (Provision for Deaf students) and the HARP (Hendon Autistic Resource Provision) offer a maximum of 20 students in each provision.
3. children with brother\* or sister\* already at the school and still expected to be at the school when transfer takes place. For the purpose of criterion 3, 'brother' or 'sister' means either (a) a child having at least one natural parent (or by legal adoption) in common with the applicant, or (b) a child related to the applicant as a stepsibling by the inter-marriage of one of each of their parents prior to the date of application, and living at the same address Monday – Friday.
4. children who have previously been on the school register and came off the register due to a change in the home address and have moved back to the area.
5. children of any permanent members of staff. A 'Staff Child' is defined in these criteria as a child who lives as the staff member's son or daughter in the same house, including natural born, adopted, step and foster son or daughter.
6. the distance of children's homes from the school as measured in a straight line, those living nearer being accorded priority. Distance will be used as a 'tie-breaker if two or more applicants are equally qualified for a place in any of the above criteria.

## Waiting list

A waiting list will be maintained for each year group which is updated on an annual basis and maintained in the order of the oversubscription criteria. Late applications are only accepted from parents who have recently moved into the area. These will be treated in the same way as other applicants and arrangements will be made for them to take the entry tests.

## Facilities/Extra-curricular activities

As part of our commitment to Personal Development we offer a wide range of extra-curricular activities. Each week over 40 clubs are offered students are actively encouraged to join these. Current clubs include Chess, Manga, Gardening, dance, drama, homework support, Duke of Edinburgh and community projects. Sports such as football, netball, trampolining, volleyball and athletics. As well as music clubs including Jazz band, orchestra, guitar ensemble and choir. In addition, we offer over 100 trips supporting both the academic and extra-curricular activities. The highlight of the Year is the exchange trip to Japan.

## Education after 16/ Sixth form curriculum

There is no automatic entry to the Sixth Form, either to students from the school or to others. Students must have attained the academic entry requirements for the course for which application is made and are expected to have a commitment to the aims and policies of Hendon School and the Sixth Form.

Our Sixth Form offers a wide range of A levels and vocational subjects. All Year 12 students undertake a two-week work experience placement and many attend university-based summer schools. Students are encouraged to take part in a wide range of enrichment programmes both within and outside of school. Over 85% of our students progress onto University including a significant proportion to Russell Group universities.

## About our school

### Aims and expectations

The Henrietta Barnett School (HBS) is a warm, friendly and vibrant community that prides itself on happy and productive relationships. We are consistently one of the top state schools in the country and have an exemplary local and national reputation for academic excellence. Dame Henrietta Barnett strongly believed in the power of education to shape people's lives and founded the School to provide educational opportunities of the highest quality for its students. She built the School on the principle that education should be open to girls from different backgrounds to study and learn together and from each other. This principle is alive and well at HBS.

We provide a broad education that is ambitious, varied and stimulating. Academic excellence and a wide range of extra-curricular and enrichment opportunities are offered in an open, caring and supportive environment, enabling each individual to thrive and achieve her potential. We are committed to developing the whole person, encouraging students to explore their interests in a wide variety of ways and promoting curiosity of mind, independence of spirit and a love of learning.

In a culture of respect for others but without the need for bells or lists of imposed rules, HBS students are driven by self-motivation, self-discipline and a common purpose, a thirst for learning and a strong sense of pride in belonging to the diverse, inclusive, high-performing, friendly and supportive school community. They leave HBS full of integrity and ambition, ready and equipped to make a positive contribution to society, with the world at their fingertips.

## Oversubscription criteria

(summary) see school website for full criteria

If the school is oversubscribed, priority for admission will be given to those candidates who meet the criteria set out below, in the following order:

1. A 'looked after child' or a 'previously looked after child', providing that the candidate is capable of following The Henrietta Barnett School education. A 'looked after child' is a child who is (a) in the care of a local authority in England, or (b) being provided with accommodation by a local authority in England in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. A 'previously looked after child' is one who, immediately after being a looked after child, became subject to an adoption, child arrangements, or special guardianship order, or a child who appears to the Governing Body to have been in state care outside of England (i.e. in the care of or accommodated by a public authority, religious organisation or any other provider whose sole/main purpose is to benefit society) and ceased to be so as result of being adopted only. In this category, a candidate will be considered to have the necessary capability if they are ranked in the top 300 applicants in the Round One test. Applications in this category will need to be supported with documentary evidence confirming the child's status.
2. Candidates who are eligible for Pupil Premium funding, providing that the candidate is capable of following The Henrietta Barnett School education. In this category, a candidate will be considered to have the necessary capability if they are ranked in the top 300 applicants in the Round One test. Candidates will be considered for a Pupil Premium place only if they provide written confirmation, directly from their current school, of their Pupil Premium eligibility. This evidence must be received by Friday 15th July 2022. Please note that the School will not contact the current school directly for this information – the candidate is responsible for ensuring that their current school provides it.
3. Candidates who currently live within 3 miles of the school at the point when they submit their application to the Local Authority in October, providing that the candidate is capable of following The Henrietta Barnett School education. In this category, a candidate will be considered to have the necessary capability if they sit the Round Two test. In the unlikely event that there are more candidates in this category than places available, then places will be allocated in rank score order. Distance from the School is measured in a straight line between the address point for the child's home, supplied by Ordnance Survey, and the school's main entrance on Central Square using the London Borough of Barnet's computerised geographical information system. Where a child lives normally during the school week with more than one parent at different addresses, the permanent home address for the purposes of school admissions will be the one where the child spends the majority of school nights Monday – Friday.
4. All remaining candidates in rank score order. Where candidates are equally ranked, geographical proximity to the School as measured by the London Borough of Barnet (as described above) will be used to decide the final placings. Applicants from the same block of flats, or applicants who live the same distance from the school will be selected in random order using Barnet Council's computerised system and places will be offered accordingly.

### Waiting list

Any child refused a place at the school will automatically be put on the Waiting List unless a higher preference school has been offered. A waiting list will be maintained until the end of the first term after which it will be cleared. If you would like your child to remain on the waiting list after that time please contact the school.

## Facilities/Extra-curricular activities

We are located in the peaceful surroundings of Hampstead Garden Suburb. Our Science wing has been refurbished and in 2011 two new purpose built buildings were opened, housing state-of-the-art Music, Art, Drama and Technology suites.

In 2015 our library was extended and refurbished and is now a favourite place in the heart of the school. The school grounds were re-landscaped and accommodate a large MUGA (Multi Use Games Area). HBS places great emphasis on the importance of extra-curricular activities and a wealth of weekly clubs and societies enable girls to extend their knowledge in favourite subject areas. They are complemented by a wide array of opportunities for girls to discover or develop their talents in the arts, music and sport.

### You and your child's progress

We regularly give students feedback and communicate with parents regarding progress through reports and consultation evenings. Information on attendance is also available on our secure online reporting system.

### Curriculum and homework

Our broad and balanced curriculum exceeds the statutory requirements of the national curriculum and allows students to pursue their own interests. Students study up to twenty different subjects throughout Key Stages 3 and 4 encompassing aesthetic, creative, human, social, linguistic, literary, mathematical, moral, physical, scientific, spiritual and technological experiences. Students are encouraged to take responsibility for the organisation and completion of their own homework.

### Education after 16/ Sixth form curriculum

Sixth Form students have greater independence and freedom within a structure of guidance and support. All our students embark on a programme of four A Levels chosen from a wide variety of academic subjects for Year 12 to give breadth to their studies. About half of them continue with all four subjects through to the end of Year 13. They also do curriculum enrichment, which includes Physical Education, PSHCE, Careers talks and University preparation, as well as having many interesting speakers.

## About our school

### Aims and expectations

JCoSS is the UK's only pluralist cross-communal Jewish Secondary School, providing a high achieving, aspirational environment.

We are committed to the success of each child in all that they do and attach a high value to academic attainment as well as celebrating personal achievement across every field of endeavour. The JCoSS environment enriches our students with a wealth of opportunities both in and out of the classroom so that they are well grounded and well rounded, able to achieve their potential in every way. Our hope is that JCoSS students leave us enriched and inspired, and go on to enrich and inspire others with all they have gained during their school journey.

### Transport

Buses: 384 and private coaches from across North London and South Herts  
Nearest stations: New Barnet (Overground), Cockfosters (Piccadilly Line), High Barnet (Northern Line)

### Type of school

Jewish cross-communal co-educational voluntary aided school.

### Supplementary Information Form

A Supplementary Information Form (SIF) and a Certificate of Religious Practice (CRP) are required.

### Specialism

Science

### Uniform

The JCoSS uniform is smart, practical and fundamental to our ethos, helping all children to learn together on an equal basis. The uniform is priced to be amongst the most of affordable of those required by good state schools. Full details are available on the school website [www.jcross.org](http://www.jcross.org)

### Attendance, discipline and pastoral arrangements

We have high expectations of behaviour, attendance and punctuality. Our behaviour code is clear, consistent and positive, rewarding good learning and behaviour as well as exceptional performance.

A strong staff team comprising form tutors, Year Learning Co-ordinators and Heads of each Key Stage provide supportive pastoral care to ensure that every student reaches their potential.

### Oversubscription criteria

(summary) see school website for full criteria

If there are more applications than the number of places available, places will be offered using the following 4 categories:

1. first priority – Jewish children who demonstrate, or of whom at least one parent demonstrates, commitment to the Jewish faith or involvement in recognised Jewish faith activities.
2. second priority will be given to non-Jewish 'looked after' and previously 'looked after' children<sup>1</sup>.
3. third priority will be given to children who demonstrate, or of whom at least one parent demonstrates, commitment to a faith or involvement in recognised religious activities. This will be assessed by documentary evidence of attendance by the child or by a parent/carer at a minimum of 4 religious services in the six months prior to the application.
4. all other children who do not fulfil the criteria for any category above.

In the event of oversubscription within the above, the following criteria order will be used.

#### First Priority Children

- a) Jewish children who are 'looked after', or who previously were 'looked after'<sup>1</sup>.
- b) Jewish children who have a sibling who attends the School at the date of admission or who was on-roll on the last day of the summer term of the academic year three years prior to application.
- c) a maximum of 10% of the places for Jewish children who live nearest to the School, with those living closest having higher priority. Distance is measured in a straight line between the address point for the child's home, supplied by Ordnance Survey, to the school's main gate using the Council's computerised geographical information system. Applicants from the same block of flats, or applicants who live the same distance from the school will be selected in random order using Barnet Council's computerised system and places will be offered accordingly.

- d) children (Jewish and non-Jewish) of JCoSS staff who have a permanent contract of employment and have completed two years of service on the last day of the summer term of the academic year prior to application.

- e) all other Jewish children.

#### Second Priority Children

- f) all other children who are 'looked-after' or who were previously 'looked-after'.

#### Third Priority Children

- g) 'other-faith' children who have a sibling attending the school at the date of admission or who was on roll on the last day of the summer term of the academic year prior to application.

- h) all other 'other-faith' children.

#### Remaining Places

- i) all other children who have a sibling who attends the school at the date of admission or who was on roll on the last day of the summer term of the academic year prior to application.
- j) all other children.

#### Tie-break

If in any category there are more applicants than there are available places remaining, offers will be made by random allocation using Barnet Council's computerised system and places will be offered accordingly.

If an offer is made under any category to someone who is a twin, triplet or one of multiple births, an offer will also be made to the other sibling(s). This applies for secondary transfer only and not in-year applicants.

#### Facilities/Extra-curricular activities

Our magnificent £48m facilities include state-of-the-art ICT, sprung-floor dance and drama studios, astro turf football pitches, well-equipped science laboratories and a learning environment that is second-to-none. We have a wide range of extra-curricular clubs, where students can participate in a whole host of activities from Chess to Debating, Yoga and Film Club. We have a huge range of Sports Clubs from table tennis to football and athletics to netball, as well as an outstanding creative arts provision where students can participate in Drama productions, Orchestras and Choirs.

### Curriculum and homework

At Key Stage 3 (Years 7-9), students follow the National Curriculum which comprises English, Maths, Science, Art, Computing, Geography, History, Languages (which include French, Ivrit, Spanish and Latin), Music, Technology, Religious Education, Physical Education and PSHCE. This provision is enhanced with Drama and Jewish Education. Jewish Education is delivered through an exciting and thematic curriculum which has been uniquely developed for JCoSS.

A JCoSS student should expect to spend an hour per night on Home Learning in Year 7, rising towards three hours by the 6th Form.

#### Teaching and learning

Our exceptional teachers and subject leaders have a wealth of experience and create an environment that celebrates academic achievement and promotes success. Our teachers ensure that students receive an excellent education by taking the time to understand each student and tailor their teaching accordingly to their individual needs. This provides a stimulating, demanding and enjoyable learning experience. Our rigorous process of target setting, monitoring and analysis ensures that our students achieve – and exceed – their potential.

#### Education after 16/sixth form curriculum

Our 6th form, rated Outstanding by Ofsted, has a wide range of A Level and Vocational courses for students either moving up internally or arriving from other schools. We have unrivalled facilities available for the 6th form, including a dedicated state-of-the-art study room and 6th Form coffee shop. The majority of our Year 13 students leave JCoSS to attend their first choice Universities including Oxbridge and prestigious Russell Group Universities.

<sup>1</sup> children who ceased to be 'looked after' because they were adopted or became subject to a child arrangements order or special guardianship order.

### Type of school

Co-educational comprehensive academy.

### Supplementary Information Form

A Supplementary Information Form (SIF) is not required.

### Specialism

Business, Enterprise and ICT

### Uniform

Students in Years 7 – 11 are expected to wear uniform. The Academy uniform has been designed to be neat, hard wearing and as economical as possible. All children are expected to take pride in themselves and their Academy.

### Attendance, discipline and pastoral arrangements

Each student at London Academy has their own self-contained Home Base where they are supported by their Student Manager, Student Support Officer, Personal Tutors and other staff. Each student has a Personal Tutor who will work with them setting targets for progress and taking an active interest in their welfare.

## Oversubscription criteria

(summary) see school website for full criteria

The admission limit is 210. Where the Academy is oversubscribed, priority will be given in accordance to the admissions criteria stated for Year 7.

If there are more applications than the number of places available, places will be offered according to the following:

1. children who are 'looked after' and children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order under the provision of the Children Act 1989.
2. siblings at the Academy (siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant). It will also include siblings of former students provided they completed their education at the end of year 11 or in Sixth Form.
3. children attending another AIM Academy Trust school.
4. children who are in receipt of the Pupil Premium or early years premium at date of application.
5. remaining places will be allocated on a geographical basis (the distance from the academy). Distance will be measured in a straight line from the address point for the child's home to the entrance of the Secondary Principal's office using the London Borough of Barnet's computerised geographical information system with those living closest being given priority.
6. students whose parent has been employed at the Academy for two or more years at the time at which the application is made and children of staff who have been employed to fill a post for which there is a demonstrable skill shortage.

Distance will be used as a tie breaker in each category. If two or more children with the same priority for admission live an indistinguishable distance from the Academy but cannot all be admitted, then the available places will be decided by random allocation using the London Borough of Barnet's computerised system.

If the last student to be offered a place within the Academy's published admissions Number (PAN) is a multiple birth or the same cohort sibling, any further same cohort sibling will be admitted.

## Facilities/Extra-curricular activities

Our facilities provide ample opportunity for activities at lunchtime and after lessons. Sports include football, rugby, badminton, table tennis, basketball, sailing, hockey, athletics, cricket, weight training, tennis, netball, dance and rounders.

At London Academy, we believe that part of a world class education includes ensuring that every student leaves us as a confident, articulate and culturally aware young adult. We want to ensure that students can pursue careers that they are passionate about, contribute positively to society and live happy and fulfilled lives. To help us achieve this, we believe that an excellent enrichment and extra-curricular curriculum is as important as the traditional subjects students' study.

Our Enrichment programme offers students a broad selection of projects. Each Enrichment project will aim to introduce students to a range of new skills and opportunities, which will allow you to grow knowledge, acquire new interests and hobbies outside of our academic curriculum. These include Coding an Adventure Game; British Sign Language Lessons; Meditation and Journaling; Enterprise projects; Building a robot; Introduction to DJing and a range of sporting activities.

## You and your child's progress

Regular consultations are organised between teachers and parents to discuss individual student progress and to set achievable but demanding targets.

## Curriculum and homework

We offer a broad and balanced curriculum from Year 7 to 13 that enables students to achieve their full potential. Homework is an essential part of a student's academic development and is set regularly from Year 7.

## Education after 16/ Sixth form curriculum

At post-16 we recognise that students have different desires or designs. Some have clear ideas on careers they wish to follow at 17 or 18 whilst others have plans to move onto Higher Education.

In order to meet these different demands, we offer different pathways which lead to Advanced Levels, Applied 'A' Levels or vocational qualifications. All students are expected to take advantage of the optional enrichment courses available.

## About our school

### Aims and expectations

We aim to enable our students to become outstanding citizens within the Jewish and wider communities. We strive to instil in our students a firm foundation that will prepare them for a life of committed Torah observance. To this end, love of Judaism permeates every aspect of school life. Secular subjects are taught in accordance with the National Curriculum expectations.

There is a strong emphasis on high levels of character development and personal behaviour. The school develops the girls' abilities to a level, such that upon graduating they are able to enter a Seminary for Advanced Religious Jewish Study, and subsequently further educational institutions of their choice in this country or abroad.

### Transport

Buses: 332, 245, 182  
Nearest stations: Dollis Hill

### Type of school

Jewish Orthodox Voluntary Aided Girls Secondary School

### Uniform

All students are expected to adhere to the school's uniform policy. Details are distributed to parents in the welcome pack.

### Attendance, discipline and pastoral arrangements

Our school nurtures a particularly warm atmosphere which results in self-confident, happy young people equipped with the necessary tools to face the world with its many challenges. A core aim of the school is to create good relationships between all who work and learn here. We aim to let the pupils know that they are cared for as people, both inside and outside the classroom.

Through good models of adult behaviour, consistent approaches in dealing with students and constant encouragement to develop self-esteem, we aim to engender self-discipline and autonomous adherence to high standards by all. The Head Teacher and school staff implement behaviour and discipline practices which are made explicit to students through assemblies, tutorial programmes and parents' involvement.

The implementation of these practices involves both rewards and sanctions. Rewards and sanctions are implemented consistently, recognising that one must have regard to the individual situation and the individual pupil. Regular attendance and punctuality are taken seriously with regular monitoring and follow up.

### Oversubscription criteria

(summary) see school website for full criteria

Where applications for admission of children exceed the number of places available, girls will be prioritised on the basis of the following criteria in the order set out below:

1. Charedi Jewish girls who are 'looked after' or were previously 'looked after'. A 'looked after' child is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. Previously 'looked after' children are children who were 'looked after', but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).
2. Charedi Jewish girls with medical or social grounds for admission to this school in particular. Supporting evidence from a suitably qualified professional will be required at the time of application.
3. Charedi Jewish girls with sisters attending the School at the time of application. A sister must live permanently at the same address as the child for whom the application is being made. This includes half-sisters, stepsisters, adopted sisters and foster sisters who live permanently as a family unit at the same address.
4. other Charedi Jewish girls.
5. other girls who are 'looked after' children or previously 'looked after' children in accordance with the definition at 1.
6. all other girls.

If there are insufficient places for all applicants in any of the above criteria, random allocation will be used to determine which girls will be admitted, in the presence of an independent observer.

### Facilities/Extra-curricular activities

We incorporate a wide range of enrichment, both within and outside the curriculum. Our pupils are involved in voluntary and charity work within the local community.

### You and your child's progress

Pupils are set aspirational progress targets based on their effort and achievement which are monitored effectively. There is an efficient system of intervention for pupils who are not reaching their expected targets. We integrate a wide range of learning opportunities to further challenge our most able pupils. We report regularly to parents through parents' evenings and written reports.

### Curriculum and homework

Menorah High School exists to serve girls of the fully Orthodox Jewish Community. In consequence the curriculum is designed to equip them to function, and to succeed, as fully observant Jewish citizens of this country.

The curriculum is divided into two parts. The Limmudei Kodesh (Jewish Studies) programme which comprises the study of traditional Jewish texts, underpinned and supported by Jewish ethics and Jewish practice.

Our secular curriculum includes all National Curriculum subjects delivered to a high level by our skilled and dedicated teaching staff. Regular homework is set and assessed and is used to monitor progress and inform further teaching.

### Teaching and learning

We have high expectations of the effort that pupils should make and what they can achieve. We aim for well-paced teaching, using stimulating activities matched to a range of learning styles.

We systematically develop pupils' skills so that their learning becomes increasingly independent. We aim to create an environment that promotes learning in a settled and purposeful atmosphere.

### Education after 16/ Sixth form curriculum

The sixth form offers a challenging range of A-Level subjects and vocational courses in Art and Design and Health and Social Care, together with a high-level Kodesh programme.

In addition, pupils are supported through a programme of meaningful work experience and extra-curricular studies.

## About our school

### Aims and expectations

#### Aiming Higher

We expect our students to be ambitious in everything they do. We expect them to make the most of every opportunity to learn both in the classroom and through over 100 enrichment opportunities a term. We expect them to become the best person they can be through student leadership opportunities and demonstrating the character traits that will help them stand out from the crowd when applying to universities, apprenticeships or employment as young adults.

#### Promoting Harmony

We are a very harmonious community founded on positive and respectful relationships. Our pastoral curriculum emphasises equality of opportunity and fosters greater understanding of the contributions everyone in our community makes to the success of MHCHS. We celebrate and promote difference and acceptance through regular student led events and celebrations. Your child's unique qualities will be of value to our community and we look forward to welcoming them.

#### Achieving Excellence

We support our students in developing resilience to overcome obstacles to ensure their continued progress. Our students consistently achieve the best grades in examinations. Alongside this they exemplify excellence in their conduct and are praised by visitors as impressive ambassadors.

### Transport

Buses: 113, 186, 251, 292, 384, 605, 606, 688

### Type of school

Partially selective co-educational academy.

### Supplementary Information Form

A supplemental information form is not required.

### Uniform

Our uniform is distinctive and students wear it with pride. Each year group has their own coloured tie. We have a no jewellery policy.

### Attendance, discipline and pastoral arrangements

We expect our students to attend school every day, on time, to give them the best chance of achieving the highest grade. Our pastoral system is based on a Positive First Culture where recognition for doing the right thing is a priority. We have high behaviour expectations of all students and where students need further support in self-management, our pastoral team will be there to provide guidance. We do not allow poor behaviour to disrupt the learning of others. Our well-established mentoring and inclusion teams are an additional layer of support for students who need it and we support mental wellbeing through our counselling services.

### Oversubscription criteria

(summary) see school website for full criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. Looked after children and all previously looked after children including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

2. A maximum of 90 (ninety) pupils will be admitted on the basis of geographical proximity, as measured, in a straight line from the Headteacher's office to the pupil's recognised permanent home address and place of residence at the time of the closing date for applications to the school. The offer of a place may be withdrawn if the address given is found not to be the permanent address. The 90 places will include any applicants who could be admitted under other criteria.
3. Applicants who have an elder sibling who is on the school roll at the time of the closing date for applications to the school, and who is permanently resident at the same address.
4. Children of a member of the MHCHS staff as detailed in our Admissions Policy.
5. If there are 60 remaining places after allocations under Criteria 1 – 4 and any places allocated to children with an Education, Health and Care plan, those 60 places will be allocated on the basis of technological aptitude<sup>1</sup> (24), musical aptitude<sup>2</sup> (24) and dance aptitude<sup>3</sup> (12).

If there are more than 60 places remaining, 60 places will be allocated as above and any remaining places will become additional geographical proximity places, under Criterion 2.

If there are fewer than 60 places remaining, all remaining places will be allocated on the basis of technological, musical and dance aptitude in the proportions 2/5 (two fifths) to technological, 2/5 (two fifths) to music and 1/5 (one fifth) to dance, any odd places being allocated first to technological aptitude and then to music.

The total number of places allocated under criterion 5 will not exceed 60. The School Admissions Code 2021 requires schools to conduct any aptitude tests and to report the results to parents before parents make applications for other schools. Aptitude tests are widely publicised in the local press and by primary schools and take place towards the end of Year 5 (music and dance) and the start of Year 6 (technological). Details of the aptitude test process are included in The Admissions Policy Procedures document on our website.

### Facilities / Enrichment activities

MHCHS is in an enviable location overlooking North-West London and South Hertfordshire, surrounded by Green Belt. Departments are housed in their own accommodation across the site with specialist facilities for media, art, design technology, computing, dance, drama and music. The range of facilities reflects the breadth of our enrichment offer with weekly clubs, speaker, trips and visits running throughout the year. There literally is something for everyone! We are particularly proud of our student leadership opportunities.

### Curriculum and homework

Homework is a vital part of every student's educational experience at MHCHS. It develops skills of independence and consolidates or extends learning in the classroom. Our library is available before and after school for those choosing to complete work on site. Our curriculum is broad and balanced and all students have an entitlement to study the full range of EBACC subjects. Our age-appropriate pastoral curriculum enhances student learning through the development of skills and knowledge for life that is in addition to our main taught curriculum.

### You and your child's progress

Parents will be provided with opportunities to hear about your child's progress through regular reports and virtual parents' evenings. A strong partnership between home and school enables positive outcomes for students. We encourage you to contact the relevant member of staff if you have any concerns or require further guidance on your child's progress.

### Teaching and learning

We expect teachers and support staff to know each child as an individual to ensure they learn well. Our inclusion staff are skilled at supporting students with additional needs. Lessons have clear objectives and students make rapid progress and are challenged to deepen their thinking.

We have invested in technology to support student learning. All students will have a GoogleClassroom account which is the main portal for issuing and submitting homework. Parents can also use the Classcharts app to review attendance and behaviour data. All classrooms are equipped with touchscreen TVs to support learning.

### Education after 16/ Sixth form curriculum

MHCHS has a large Sixth Form which enables us to offer one of the broadest subject ranges in the country, specializing in A-levels. Most students continue into our Sixth Form from Year 11 and every year we welcome many new entrants into Year 12 from other schools. Our supervised study facilities ensure they make the most of their independent study time. Students are well-prepared for their next steps and each year, students go on to study at the best universities and medical schools across the country, including Oxbridge, or access apprenticeships with prestigious companies.

1 Technological Aptitude: All applicants seeking a place on the basis of technological aptitude must previously have sat our test on Verbal Reasoning and Abstract Reasoning. The results of both tests will be added together to produce an offer score. No minimum score will be required, places being offered strictly in descending order of each applicant's combined score.

2 Musical Aptitude: All applicants seeking a place on the basis of musical aptitude must previously have obtained a score in our musical aptitude test. If there are more applicants than places, places will be offered strictly in descending order of each applicant's score.

3 Dance Aptitude: All applicants seeking a place on the basis of aptitude for dance must previously have obtained a score in our dance aptitude test. If there are more applicants than places, places will be offered strictly in descending order of each applicant's score.

## About our school

### Aims and expectations

The central aim of the school is to produce young men who are confident, able and responsible. We believe that a happy life beyond school and good employment prospects rely as much on good character as on high academic achievement. In addition to the acquisition of skills and knowledge, boys are therefore taught the importance of good behaviour, a positive attitude and a genuine respect and concern for others.

### Transport

Buses: 84A, 107, 234, 263, 307, 384, 385  
Nearest stations: High Barnet (Northern Line)

### Type of school

Boys' selective academy.

### Supplementary Information Form

An Entrance Test Request Form is required.  
Apply online at <https://www.qebarnet.co.uk/admissions>

### Uniform

School uniform is prescribed for boys in years seven to ten, and a strict dress code applies thereafter. We believe that a boy's appearance is indicative of the pride he takes in himself and his school, and dress regulations are therefore applied rigorously.

### Attendance, discipline and pastoral arrangements

During induction boys are placed in a tutor group of approximately 30 pupils, attached to one of six houses. They remain with this group until the end of Year 10. For Year 11 and Sixth Form, tutor groups contain approximately 15 pupils. Individual discussions between boys and their form tutors are a regular occurrence to review progress, involvement and wellbeing.

There is a bespoke pastoral curriculum, known as Personal Development Time. For those boys needing additional support, peer and staff mentoring programmes are available, as are appointments with an in-school counsellor.

Recognition and praise underpin the behaviour management strategy, highlighting to pupils the standards which are expected. Pupils are also given increasing levels of leadership responsibility as they progress through the school. If a pupil's conduct falls short of these high expectations, sanctions are applied consistently and fairly. Regular attendance is a pre-requisite for effective learning and participation, and is expected as a matter of course.

### Oversubscription criteria

(summary) see school website for full criteria

There is only one formal point of entry to the school and this is at age 11 on secondary transfer.

All places will be allocated on the basis of academic ability, established by selection tests to be held in the autumn prior to the year of admission. Each candidate will sit two tests on the same day. The scores for each test will be standardised, and then combined. Candidates will be listed in the rank order of their combined scores. Those candidates achieving the combined score set out in the school's Admissions Guide for Parents, or higher than this score, will be deemed to have met the standard required by the Governors to be eligible to be considered for admission to the School. Achieving this standard is not a guarantee that a place will be offered.

Prior to the deadline for making applications to schools, parents will be informed of the outcome of the selection tests.

They will be told either that:

- a) their son has achieved a score which meets the standard required by the Governors, and is therefore eligible to be considered for admission to the School or that.
- b) their son has achieved a score which does not meet the standard required by the Governors, and that he is therefore not eligible to be considered for admission to the School.

In the event of two or more applicants scoring the same mark, the rank order for allocation of places will be determined by the distance measured in a straight line between the address point for the applicant's home, supplied by Ordnance Survey, and the main school gate, with the closest given the highest rank.

### Waiting list

Places which become available will be offered to those on our waiting lists in accordance with the published admissions criteria.

Waiting lists will remain open until **31 December 2024**.

### Facilities/Extra-curricular activities

The school is housed on a 23-acre site adjoining the green belt, making a pleasant and expansive educational setting. The campus is continually upgraded, with the most recent addition being new facilities for music, including a recital hall, which opened in early 2022. This follows previous projects to deliver an eight-lane indoor swimming pool, a large multi-purpose hall, a new library, dining hall and café complex, and a room dedicated to our world-class robotics programme.

There is a vast range of extracurricular activities available through the house system, subject-based clubs and societies, and competitions on a local, national and international scale. It is expected that there will be something of interest for all, and every boy is encouraged strongly to participate.

### You and your child's progress

We recognise that education is a partnership between home and school, and that full involvement of parents and harmony of expectations are vital to a boy's success. Regular briefing evenings are held and parents are kept updated on the progress of their sons frequently. Communication increasingly takes place via eQE, the School's long established e-learning platform. Staff proactively raise pastoral as well as academic matters with parents, as required.

### Curriculum and homework

Throughout the school all boys receive a broad and balanced curriculum, supplemented by a vast range of additional activities upon which equal importance is placed. In all aspects they are encouraged to the highest levels of effort and commitment, and are acknowledged, praised and rewarded for their achievements. Regular homework supports and augments the work done in school, allowing boys the opportunity to enhance qualities of independent learning.

### Teaching and learning

On admission to the school, most lessons are taught to boys in their tutor groups (apart from subjects in which safety or effectiveness of delivery demands a smaller group size). This gives an opportunity for a common basis of knowledge to be established whilst friendships are being formed. Thereafter boys are generally taught in mixed ability groups (in the context of the school's very narrow ability range). Setting by academic ability does take place in particular situations, where this has been deemed optimal. Teaching in school is supported by the use of technology and extension materials accessed through eQE.

### Education after 16/ Sixth form curriculum

The very large majority of pupils stay on into the Sixth Form where typically they start four AS level courses. In addition to the full range of subjects available at KS4 there are courses in Further Mathematics, Philosophy, Politics and Sociology. Pupils also take an enrichment course from a range of options including the Extended Project Qualification, as well as benefitting from the school's university admissions support and preparation programme. Support and guidance to enhance the boys' future prospects is supported by input from alumni, via our QE Connect initiative.

## About our school

### Aims and expectations

The central aim of the school is to encourage the development of each girl's inner resources, so that she acquires wisdom and integrity to make positive choices in a rapidly changing world. Most importantly, girls to leave our school as well-qualified, confident, caring and happy members of their community, equipped to be capable of supporting themselves financially, contributing economically and socially to wider communities.

We strongly believe that all students are individual and that all should pursue excellence and develop their talents in academic, creative, physical and social skills.

We provide an environment in which learning can flourish and be enjoyed not just as a means to good academic results but as an interest for life, motivated by the school's commitment to provide the girls with access to a full range of study and enrichment experiences.

### Oversubscription criteria

(summary) see school website for full criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. a 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).
2. children who, at the time of application, have a sibling living at the same address in years 7–11 of the school, (or who is in years 12–13 if they previously attended in years 7–11 for at least one year). Siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant.
3. children who are living with a parent who has been employed by Queen Elizabeth's Girls' School for a period of at least two years at the application deadline, or who were recruited to fill a vacant post for which there was a demonstrable skill shortage, will be allocated places under this category by reference to the proximity of the child's home address (as defined by this policy) to the School, with those living nearer receiving higher priority
4. remaining places are offered on a geographical basis measuring distance in a straight line from the school. Distances are measured between the child's home and the main school gate. The distance between these points is calculated using a computerised geographical information system.

**Tie Breaker** – distance will be used as a tie-breaker within each category.

**Final Tie Breaker** – applicants from the same block of flats, or applicants who live the same distance from the school will be selected in random order and places will be offered accordingly.

Applications made on behalf of twins or triplets – when the oversubscription criteria are applied to applications made on behalf of twins or triplets, they will be selected in random order and places will be offered accordingly.

This could result in one (or two) children in a family being offered a place but not the other(s). Where relevant, the remaining child(ren) would be retained automatically on the particular school's waiting list and would have priority should any vacancies arise at that school.

### Facilities/Extra-curricular activities

The school has a full range of specialist facilities for curriculum delivery. The school also has an indoor swimming pool.

A wide range of extra-curricular activities is offered at lunchtimes and after school. The school is proud of its programme of visits and journeys.

### You and your child's progress

The partnership with parents is integral to success and is set out in the Home School Agreement. Reporting and Parents' Evenings are on a termly basis.

### Curriculum and homework

The school offers a broad and balanced curriculum based on the National Curriculum. Home learning is an integral part of the curriculum and will take a range of different forms, often using ICT and/or the Managed Learning Environment. There is a full range of GCSE and vocational subjects at Key Stage 4 and we review the offer in line with curriculum changes and demand each year.

### Teaching and learning

High standards of teaching and learning are our highest priority with the aim of developing successful, independent learners. We seek to ensure that lessons are engaging, challenging and stimulating.

Assessment for Learning supports pupils in knowing how to develop their learning, to make good progress and to achieve their very best.

### Education after 16/ Sixth form curriculum

The school Sixth Form is popular and oversubscribed. A wide range of A level courses are offered and some places are available to external applicants. More detail is available on the website.

## About our school

### Aims and expectations

St Andrew the Apostle School opened in September 2013. Our high performing, Christian school was established from the beliefs, vision and commitment of a wide group of local parents from the Greek Orthodox community and the Church itself.

We are firmly committed to developing the full potential of our learners and we actively promote the highest personal standards in terms of attitude and commitment to the values of our community. Our supportive, inclusive environment is one where every child is known and valued. Our student and staff body are diverse, and we welcome those from all faiths and none. Visitors comment on the friendliness of our school, its community feel and our Christian ethos.

Our 2018 Ofsted inspection found the school to be good in all categories and recognised the high academic standards and expectations, as well as our students' impressive behaviour and attitudes. Progress made by our students, of all abilities, is exceptionally high.

The school is part of the high performing Russell Education Trust group of schools.

We:

- deliver a broad curriculum that promotes academic excellence and exceptional progress across the ability range
- foster a spirit of kindness, tolerance and responsibility which allows each student to grow in character as an individual and as a community member
- encourage students to progress to higher education
- aim to promote, in particular, the study of maths, sciences, the classical subjects and languages at university

### Transport

Buses: 34, 251, 382

Nearest stations: Arnos Grove (Piccadilly Line)

### Type of school

Greek Orthodox Faith

### Supplementary Information Form

Yes (if applying under a faith criterion)

### Uniform

The school has a strict uniform policy which students are expected to follow at all times. Our approach to school uniform is based on the notion that a school uniform promotes a sense of pride in the school and engenders a sense of community and belonging. Further information can be found on the school website.

### Attendance, discipline and pastoral arrangements

Outstanding pastoral care is one of the fundamental cornerstones to ensuring students feel safe and happy. Every member of staff has a role to play in pastoral care and we have a clear pastoral structure to ensure each student is fully supported within the school

The school's tutorial programme enables students to develop study skills, social responsibility and an

awareness of their place in the community, both within school, in church and beyond. Our focus on character education informs how we establish the culture around behaviour and attitudes.

Attendance is a key part of success for any learner, and the school has high expectations in terms of attendance.

## Oversubscription criteria

(summary) see school website for full criteria

Where the number of applications for admission is greater than the places available and after the agreed admission of any children with an EHCP, the following Oversubscription Criteria will apply in the order below:

1. Looked-after children\* or children who were previously looked-after\*.
2. Children for whom it is essential to be admitted to this school because of special circumstances to do with significant medical or social needs evidenced by written professional advice from a doctor, social worker, or other health professional, explaining why these needs can realistically only be met by this school.
3. Children living at the same address\* as siblings\* on the roll of the school, in any year group, including the Sixth Form, at the date of their own application for admission.
4. Children of staff\* directly employed by the Russell Education Trust on a permanent full time or fractional contract at the school in either of the following circumstances:
  - i. The member of staff has been employed for two years or more before the admission application and is still employed, without having given notice or been given notice that the employment will end, at the time the offer is made.
  - ii. The member of staff is recruited to fill a vacant teaching post for which there is a demonstrable skill shortage (determined by the Headteacher with the Chair of Governors and the CEO of RET).
5. This is a designated Greek Orthodox School and if oversubscribed, up to 50% of the remaining places, will be based on a Faith Criterion\*. If more applications meeting the Faith Criterion are received than there are places available, places will be offered in order of distance\* from the home address\* of the applicant to the school.
6. If fewer than the designated number places are taken up by those satisfying the Greek Orthodox Faith Criterion, then these remaining places will be first offered to those meeting the Wider Faith Criterion\* in order of

distance\* from the home address\* of the applicant to the school.

7. The remaining places will be offered to any other applicants. If there are more applicants than there are places available in this criterion, then they will be offered in order of distance\* from the school.

### Faith Criterion

A supplementary information form will be completed by applicants under this criterion and will be certified by their priest confirming baptism certificate and regular attendance at a Greek Orthodox Church.

### Wider Faith Criterion

The Wider Faith criterion is based on regular, (which means at least monthly) Church attendance by the child's parent(s)/carer(s) over a period of two or more years\* at a Church which is recognised by Churches Together in England.

### Facilities/Extra-curricular activities

We are located on the North London Business Park and our newly built school on the same site will be the school's permanent home.

Clubs and enrichment of the curriculum is an extremely important part of our provision. There is a wide range of extra-curricular activities and enrichment days each year.

### You and your child's progress

We support all students to achieve their potential both academically and as caring and responsible future adults. Our curriculum meets the needs of the full range of our students, developing them intellectually, socially, culturally, spiritually and morally. We set challenging academic target work in partnership with parents to support every student in making exceptional progress.

### Curriculum and homework

Underpinned by its Christian values, the school believes in the importance of developing a curriculum that is enjoyable, encourages responsibility, builds self-esteem, demands high standards, enables achievement and provides strong foundations for future learning.

We summarise this as a curriculum which develops wise students; our definition of wisdom encompasses knowledge acquisition, skill development

and personal moral development. The school is committed to the principles of equal value and equal opportunity, supporting all students to achieve their greatest potential not just academically, but also as creative, caring and responsible future adults.

Homework is set in all subjects and is an integral part of our learning process.

### Teaching and learning

The quality of teaching and learning is the foundation of any school. The prime method of implementing our curriculum intent is through the taught curriculum delivered in lessons. Learning and teaching are therefore at the heart of what we aim to achieve and how we achieve it.

Our teachers are very well qualified and are selected by the Headteacher and by RET's Advisers on the basis of their track record and excellence in classroom teaching. Our Heads of Department draw on Trust subject networks, which share and disseminate best practice across our five schools.

The content of the curriculum is essential and has been carefully thought out, constructed and sequenced; it is regularly reviewed to ensure that it is diverse and inclusive and serves our students well.

### Careers

The aim of our CEIAG programme is to provide all students with a range of opportunities throughout their journey at our school. Our careers programme is an integral element of our curriculum, providing all students with the careers education, information, advice and guidance that they need to realise the most ambitious of aspirations

### Education after 16/Sixth form curriculum

Students at our school are on a seven-year journey, and we welcome back a high proportion into our sixth form alongside those external applicants who apply. Students in our sixth form benefit from small classes and personal attention both academically and pastorally. This is why our students thrive in the wide range of courses and other enriching opportunities we offer. We build in development for students across the two years of study to support them into the next stages of their lives.

## Oversubscription criteria

(summary) see school website for full criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. Catholic 'looked after' pupils and Catholic pupils who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following have been 'looked after'.
2. Baptised Catholic pupils with a sibling in the school at the time of admission.
3. Baptised Catholic children of members of staff who are employed by the Governing Body and have been in post for at least two years, at the time of application.
4. Baptised Catholic pupils living closest to the school.
5. other 'looked after' pupils and pupils who have been adopted.. following having been 'looked after' with those living nearest to the school being accorded the highest priority.
6. Eastern Orthodox pupils whose applications are supported with a Certificate of Baptism or Certificate of Reception, with those living nearest to the school being accorded the highest priority.
7. non-Catholic children of members of staff who are employed by the Governing Body and have been in post for two years, at the time of application.
8. pupils of other Christian denominations whose application is supported by a certificate of baptism/enrolment or a minister's reference showing membership of their church, with those living nearest the school being accorded the highest priority.
9. any other applicants with those living nearest the school being accorded the highest priority.

Distance is measured in a straight line between the address point for the child's home, supplied by Ordnance Survey, to the school's main gate using the Local Authority's computerised geographical information system.

Governors will give top priority within a category to a student whose exceptional medical, social or pastoral needs justify a place at this school. Governors will require compelling written evidence from an appropriate professional e.g. doctor, priest or social worker. This evidence must be submitted by the closing date.

In the event of two or more candidates meeting the same criteria and with only one place available, a random ballot in the presence of an independent observer will be used to determine which child will be admitted under the criterion in question.

In the event of there being only one place left available for an applicant and the next candidate is part of an application concerning a multiple birth in accordance with the above criteria, then the Governors will admit all of the pupils concerned.

### Waiting list

The school will maintain a waiting list which will remain open until **31 August 2024**. Applicants will be invited to have their names placed on the waiting list in accordance with the above criteria. Late applicants will be treated in a similar way.

### Facilities/Extra-curricular activities

St James' provides an environment conducive to learning, is equipped to a high standard and is well maintained. Accommodation includes a purpose built music centre, sports hall, gym, ten science laboratories and three drama studios. In addition, recent building works have provided a new Sixth Form centre, performance hall, fitness studio, dance studio and floodlit 3G pitch.

There is a wide range of activities available at lunchtime and after school which include a variety of sports, music, drama, art, homework and study clubs.

## You and your child's progress

Challenging subject targets are set for all pupils which are closely monitored and reviewed through our monitoring programme. Parents are invited to consultation and information evenings. Parents are encouraged to work in close partnership with staff at the school to support their child in making their faith and their educational journey.

## Curriculum and homework

Pupils follow the National Curriculum in Years 7 – 11. Homework is set in each subject according to a homework timetable and parents are asked to sign homework undertaken, so that they are actively involved.

## Teaching and learning

Actively engaging pupils in their learning is the cornerstone of teaching at St James'. Teachers strive to inspire pupils and kindle in them sparks of curiosity through high quality and carefully chosen learning activities.

Lessons are designed to be exciting, relevant and provide high challenge at every level of ability. Tracking and monitoring of pupils is regular and thorough and appropriate support and intervention enables pupils to make better than expected progress.

## Education after 16/ Sixth form curriculum

The overwhelming majority of our pupils stay at school beyond the compulsory stage. In the Sixth Form they are joined by a number of pupils from other schools. St James' views the Sixth Form as an important period of preparation for the next stage in pupils lives.

The School takes considerable care in ensuring that pupils have chosen appropriate courses which suit their interests and ability. St James' caters for all pupils', offering a wide range of AS Level, A Level and vocational courses.

## About our school

### Aims and expectations

At St Mary's and St John's school, a Church of England Foundation, we believe that **'...with God, all things are possible'**. Our vision is drawn from Matthew's gospel which proclaims the Kingdom of God. Jesus teaches his disciples about choice, commitment, and Christian hope for transformational change.

A fundamental component of our lives at SMSJ is a confident reassurance that all things are possible. We believe that healing, repair, repentance, forgiveness, and reconciliation are always possible. We embrace innovation and transformation with the conviction that with Christ, every day, every task, every situation, every relationship brims with divine possibility. God is always at work in our lives.

SMSJ exists to enhance the future life chances and opportunities of our students, whatever their faith or starting point, by providing a centre of educational excellence at the heart of our community.

Through hard work, resilience, perseverance, and a commitment to our learning, we will create a hopefilled future. Our children will be equipped with the ambition, qualities, qualifications, and values necessary to meet the challenges of an ever-changing world.

We demand and achieve high standards in all areas of school life within a disciplined, secure, caring and stimulating environment. We value and praise the successes of our students and staff. The school is held in high esteem by the local community and, as a consequence, is very popular and heavily oversubscribed. Alongside academic excellence we place a strong emphasis on articulacy; impeccable manners; hard work; kindness; smartness of appearance and excellent behaviour.

Our core Christian values; **Wisdom, Service and Hope**, define us, strengthen relationships with our parents and children, and provide guiding principles that enable us live out our vision.

### Transport

### Type of school

Church of England co-educational voluntary aided all-through school

### Supplementary Information Form

Yes

### Specialism

Performing Arts

### Uniform

Details of our distinctive school uniform can be found on our website. Our pupils wear our uniform with pride both in school and on their way to and from school.

### Attendance, discipline and pastoral arrangements

High standards of discipline, conduct, attendance and punctuality are essential. Our pastoral team provides support in developing character and lifelong learning behaviours. All pupils have a Pastoral and Academic Mentor (PAM), who monitors and supports their development. Our House System provides a sense of community and healthy competition all through the school. Students participate on an annual House trip which enhances relationships with peers and staff.

### Oversubscription criteria

(Summary, please contact school for full criteria)

We operate a banding process. Every applicant is required to take the banding assessment tests. Following the tests, applicants are placed in one of four ability bands. The school selects 25% of students from each of the bands. The test result does not determine who is offered or refused a place.

If an applicant does not attend the banding test they will not be considered for a place until all those who did attend the banding assessment have been offered a place or until the end of the summer term 2024. Pupils in Year 6 at St Mary's and St John's school at the time of secondary applications are already on roll and so if they apply to Year 7 they are guaranteed a place.

In the event that there are more applicants than places available, all remaining places will be determined on the basis of the following oversubscription criteria which will be applied in each band in this order:

1. Pupils who are looked after or previously looked after.
2. Up to 18 Performing Arts Scholarships.
3. Children with a 'sibling' on roll in years Reception to Year 12 at SMSJ when they apply.
4. Children of staff.
5. 50% of the remaining places are designated as 'Open Places'.
6. The other 50% of the remaining places are designated as 'Foundation Places'.

### Performing Arts Scholars:

Up to 18 Performing Arts Scholarships are offered each year to pupils who can demonstrate a specific aptitude for instrumental or choral music, dance or drama. Performing Arts Scholars will take a lead in whole school and year group productions and concerts. We have an expectation that our scholars will continue their specialism onto GCSE as well as taking advantage of the extensive extracurricular provision.

All applicants who wish to be considered will be invited to take an aptitude test.

### Open Places:

Places in each band are allocated on the basis of the proximity of the applicant's Permanent Residence to the school's main gate at Bennett House Campus, with priority being given to those living closest.

### Foundation Places:

In allocating the Foundation places, we will give priority in each band to:

1. Children who are committed members of an Anglican Church;
2. Children who are committed members of Churches or Chapels of other Christian denominations defined as those identified with "Churches Together in Britain and Ireland" or who are a member of the Evangelical Alliance.

### Distance calculations

Distance will be used as a 'tie-breaker' if two or more applicants are equally qualified for a place within any of the above criteria. Distance is measured in a straight line between the address point for the child's home to the school's main gate at Bennett House Campus, using Barnet Council's computerised geographical information system.

### Facilities/Extracurricular activities

SMSJ Secondary School is currently based over two campuses: Bennett House campus, which is where our Years 5 to 8 are located and Stamford Raffles campus, where our Years 9-13 are based. Both campuses have extensive specialist facilities. We have a rich and broad extracurricular offer and all pupils have a dedicated weekly enrichment period.

### Your child's progress

We view the partnership between school and parents as crucial. Our home-school agreement is the starting point and is supported by home-school liaison about progress, development, reporting, as well as parents' consultation evenings and parent information sessions.

### Curriculum and independent study

Our broad and balanced curriculum facilitates depth of knowledge, understanding and the development of skills. All pupils will study English, Mathematics and Science, History, Geography and Religious Studies which is complemented by Oracy, Religious Studies, Drama, Dance, Languages, Music, Art, DT, Computing and PE. Performing arts subjects are taught in smaller groups with a generous allocation of time given through Years 7-9. Home Learning is recorded online which is easily accessible for students and parents.

### Teaching and Learning

Our expert teachers deliver high quality lessons achieving engagement and progress by utilising rich texts and resources, creating opportunities for oracy and articulation and encouraging deep thinking through probing questions. Learning for students with Special Educational Needs, English as an Additional Language and the More Able is supported by carefully tailored provision within and beyond the classroom.

### Education after 16/Sixth Form curriculum

SMSJ's Sixth Form opened in September 2019 and offers A Level courses across a range of academic subjects. There is a strong emphasis on independent study and personal development, employability skills and enrichment. Our support programme and links to Russell Group Universities ensure that students then transition effectively into higher education or work.

## About our school

### Aims and expectations

St Michael's is a place where the pursuit of academic excellence and academic curiosity are at the heart of all we do. However, if you come to St Michael's you are not coming just for GCSEs and A-Levels, but for an educational experience that enhances academic study through opportunities to develop the whole person. St. Michael's is a very special place, it is first and foremost a Catholic school; the ethos implanted here by the Sisters of the Poor Child Jesus who founded this school is now sustained by our membership of the Loreto English Education Network and the inspirational work of Mary Ward. The trustees, governors and staff remain committed to enabling our students become the person God intended them to be; supporting them to make sense of this complex world and to seek out their unique purpose in life. St Michael's is a place of spiritual formation – we recognise that Jesus has taught us that we should “love one another as he loved us” – and this gives a focus to the pastoral support we offer our young people.

‘Leaders have high expectations of pupils. Pupils embrace these alongside the school aim of ‘academic curiosity’.

The school has a distinctive purple uniform, which is the colour of the St Michael's flower, the Michaelmas Daisy. St Michael's has a strict uniform policy including skirts (knee-length or lower), the school black coat is to be worn on specific term times noted in the pupil diary.

### Attendance, discipline and pastoral arrangements

‘Pupils feel safe and happy. They know staff will help them if they need support. Pupil behaviour is exemplary.’ ‘Older pupils support younger pupils. For example, they act as mentors for new pupils and as ‘transport buddies’ for the journey to and from school’ - OFSTED 2022.

## Oversubscription criteria

(summary) see school website for full criteria

The following criteria will be used when pupils are selected for entry to the School and in the following order of priority.

1. Baptised Catholic girls, from a Practising Catholic family (evidenced by a Certificate of Catholic Practice from their Parish Priest) and who have made their First Holy Communion in the Catholic Church (normally evidenced by a remembrance of First Holy Communion) who are looked after or have previously been looked after, including internationally adopted previously looked after girls, who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted - and are ranked amongst the top 200 places in the entrance test.
2. Baptised Catholic girls, from a Practising Catholic family (evidenced by a Certificate of Catholic Practice from their Parish Priest) and who have made their First Holy Communion in the Catholic Church (normally evidenced by a remembrance of First Holy Communion) who are in receipt of the Pupil Premium - and are ranked amongst the top 200 places in the entrance test. A maximum of 32 such children (25% of the total) will be admitted, these are allotted according to rank order in the test if there are more than 32.
3. Baptised Catholic girls, from a Practising Catholic family (evidenced by a Certificate of Catholic Practice from their Parish Priest) and who have made their First Holy Communion in the Catholic Church (normally evidenced by a remembrance of First Holy Communion) in rank order beginning with the highest.
4. Applicants should be aware that within living memory St. Michael's has always been oversubscribed with candidates who fulfil the three criteria above, therefore,

the Governing Body will admit to the tests, referred to below, girls (eligible by age) who fulfil the above requirements. In the unlikely event that the number of such applicants falls below 200 in any year then the Governing Body may invite such other female applicants (eligible by age) to the tests in order to bring the total number of girls tested to 200. Should this occur, then the following oversubscription criteria will come into effect:

- a. Baptised Catholic girls in rank order (in the entrance test) beginning with the highest.
- b. Girls of Other Christian Denominations in rank order (in the entrance test) beginning with the highest.
- c. Other Looked After girls not falling into a. or b. above.
- d. Other girls in receipt of Pupil Premium not falling into a. or b. above.
- e. Any other girls.

In the event that two or more applicants are of equal ranking under any of the criteria, but cannot all be admitted, then the applicant's marks in the Verbal Reasoning test will take precedence over Non Verbal Reasoning which will take precedence over English which will take precedence over Maths. If there are still applicants who are equally ranked, then priority will be given to the applicant whose Home address is nearest to the School.

### Waiting list

A Year 7 waiting list is maintained until 31 December 2023. Candidates are ranked according to score. Thereafter request must be made to move on to Continued Interest Waiting List. The school holds a waiting list for Years 8-11 of Catholic girls who fulfil Criterion 1. Entrance tests will be administered for in-year places.

### Facilities/Extra-curricular activities

The school is very well equipped with an up-to-date Maths/I.C.T. suite, six science laboratories, three technology laboratories, computer suite, a language laboratory, library, music

suite, Sports Hall and a large hall well equipped for Drama, Art and Craft rooms and other practical rooms.

There is a fully equipped Sixth Form Centre resourced with full Information Technology access. Extra-curricular activities include netball, tennis, badminton, athletics, football, street dance and Outward Bound Activities. Exchange visits are also arranged.

There are choirs, orchestras and other ensembles as well as drama and other group activities. Societies of various kinds flourish each year according to the varied interests of the girls. The Duke of Edinburgh Award scheme is available.

### Curriculum and homework

There is fast academic pace. Opportunities for students' spiritual moral, social and cultural development are extensive. As a Christian school, the development of spirituality is a high priority and a strength of the school. A well-organised religious education programme is very effective in helping young people to understand the role of faith in a diverse world.

As a result, students learn to work with and value others, develop tolerance and understand the needs of others. Students undertake numerous responsibilities around the school and are excellent role models for each other. Through their fundraising efforts, significant sums of money are raised for charities.

Parents are very positive about the work of the school. Many wrote about the strengths of the school summed up by one parent's comment, 'My daughter has blossomed at this school in academic ability, character and confidence.'

### Education after 16/ Sixth form curriculum

The Sixth Form is both very popular and highly academic; significant numbers of students join Year 12 from other schools, including boys. Large numbers go onto Russell Group Universities, Medicine and to Oxbridge - and all are encouraged to follow their aspirations for a fulfilling future which makes society a better place.

\* Due to the COVID-19 pandemic, test dates are subject to change, please visit our website for up-to-date information.

## About our school

### Aims and expectations

Saracens High School is a fully inclusive, mixed 11-18 school, which welcomed its first cohort in September 2018. We will continue to expand each year, until we have 1130 pupils in 2024.

Saracens High School will be underpinned by the following features:

- An ethos based on our values: Discipline, Hard work, Honesty, and Humility.
- Expectations for learning and behaviour are exceptionally high, resulting in pupils making outstanding academic progress
- We teach and coach our learners to make mistakes and to learning from them.

We emphasise Character Education as an important part of our curriculum, to ensure that our pupils leave with excellent academic and vocational qualifications, and are also extraordinary young adults who are passionate about having a positive impact on their community.

### Transport

Buses: 303, 204, 186

Nearest stations: Colindale Tube Station (Northern Line), Mill Hill Broadway (Thameslink)

### Type of school

Mixed comprehensive academy

### Supplementary Information Form

n/a

### Uniform

The uniform is traditional for pupils in Years 7-11, based on the Saracens colours. Pupils take pride in their uniform and dress smartly for school each day.

### Attendance, discipline and pastoral arrangements

We have very high expectations for pupil attendance, which is key to a successful school career. We will work with parents to ensure that their child is in school, ready to learn.

The school is a place of calm reflection and self-control that supports learning. Discipline is fair, firm and consistently enforced. We ensure that the school is a safe haven where pupils can build on our values-based education.

Pupils are in Learning Groups (15 children to 1 member of staff) for their pastoral support, which reinforces the family ethos that permeates all areas of the school.

## Oversubscription criteria

(summary) see school website for full criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. looked after children and previously looked after children, as well as internationally adopted previously looked after children, who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. priority will next be given to children based on their exceptional medical or social needs. Each application must include evidence, from a medical specialist or social worker of the child's need and why they must attend this school rather than any other, based on those needs. If evidence is not submitted to the local authority with the application, a child's medical or social needs cannot be considered.
3. priority will next be given to the siblings of pupils attending the school at the time the application is received [where an older sibling is in year 13, siblings will not be prioritised under this criterion].
4. priority will next be given to the children of staff.
5. other children.

### Tie-break

If in categories 2-5 above a tie-break is necessary to determine which child is admitted, the child living closest to the school will be given priority for admission. Distance is measured from the child's home to the GPS point for the school (Latitude 51.602718 / Longitude -0.24347277).

Random allocation undertaken by the local authority will be used as a tie-break in categories 2-5 above to decide who has the highest priority for admission if the distance between a child's home and the academy is equidistant in any two or more cases. Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) from the same family tied for the final place. We will admit them all and exceed our PAN.

## Facilities

We moved into our new accommodation on Corner Mead, NW9 in November 2021. This brand-new state of the art building includes 8 specialist science labs and exceptional sports facilities, as well as specialist classrooms for every subject and an impressive community area for performances and exhibitions. Our new sport facilities are on the Lanacre Avenue site, where we have a full-size AstroTurf football pitch, a grass football/rugby pitch.

### Extra-curricular activities

Additional learning for all pupils is key to developing potential and talent. An extensive range of activities is offered covering all areas of the curriculum and wider, including sports, music, poetry, languages, science, eco club, cooking, and computing. Pupil engagement in enrichment activities is compulsory.

Developing cultural capital is a key part of a Saracens education, with pupils taking part in numerous educational visits each year, an annual Arts Festival and Making Memories days.

### You and your child's progress

Pastoral care is exceptional, with each pupil having a Learning Coach who supports them throughout the time at school (Learning Group ratios are 1:15). Learning Coaches build relationships with pupils and their families to ensure good communication, and together we support children to achieve their full potential. You will receive progress reports during the year, informing how your child can be challenged further. Parent engagement and communication is strong, using our online parent portal, or the mobile app, which provides instant messaging, as well as live attendance and rewards information. We encourage regular email communication, with a guaranteed response from the Principal within one working day, and there are regular opportunities for you to meet in school at parents' evenings and events.

### Curriculum and home learning

The curriculum has a traditional academic focus, with a strong practical element as well. The school's values and elements of character education permeate the curriculum

to provide a holistic approach to ensure that children not only leave the school with exceptional academic attainment, but also have skills and attributes (including leadership, communication, and problem-solving skills) to successfully compete for university places and apprenticeships. Home learning is an important part of our education, developing independent learning skills and a chance to consolidate the learning completed in school.

### Teaching and learning

We accommodate the needs of all pupils in the school, providing a personalised education for all, using proven and effective teaching methods, ensuring everyone is stretched and challenged. Our staff are passionate experts in their fields, which is why pupils make remarkable progress, exceeding comparisons to national averages.

Our Grow and Thrive team support children with Special Educational Needs or Disabilities, or English as an Additional Language through our lesson-based Learning Support Assistants or dedicated intervention staff who work with small groups.

Our values Discipline, Hard Work, Honesty, and Humility are evident in all lessons, and we have a culture where mistakes are welcomed as opportunities for learning. Our Pupil Leadership Team and our Futures Programme, which begins in Year 7, are examples of our holistic approach to education, focused on preparing children for the next phase in their lives.

### Education after 16/ Sixth form curriculum

The Sixth Form opened in September 2023 with three distinctive pathways which ensure that all pupils have access to an appropriate provision. Our traditional A Level pathway is the most popular choice. T Levels in Health, Digital, and Business provide an alternative to A Levels and a direct pathway to university or employment. Our Pre-Apprenticeship pathway supports young people into the workplace of their choice, by working with local businesses and Saracens partners.

## About our school

### Aims and expectations

The Totteridge Academy has gone through rapid improvement with our recent Ofsted report highlighting the “broad and rich” curriculum within our “harmonious and peaceful learning environment” (Ofsted, 2019 – see full report on our website). After a significant jump in GCSE results since 2016, we are looking to continue this upward trend. Our students work hard, aim high, and take pride in their learning. We consistently:

- Recognise and develop the best in everyone
- Provide a high quality education with high expectations of all
- Instil a philosophy of ‘kaizen’ (continuous improvement)
- Maintain a safe, caring, and focused environment at all times
- Offer a wide range of clubs, trips, guest speakers, and extra-curricular opportunities
- Equip students with the knowledge and skills necessary for their futures
- Collaborate with other United Learning schools to develop expertise and opportunities
- Celebrate our differences whilst standing together as a community
- Allow students to gain a deep knowledge and understanding of the world around them.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. Children who are “Looked after” by a Local Authority, or a child who was previously looked after but immediately following being looked after were subject to an adoption or residency order, including those from outside of England.
2. Children with an older brother or sister currently attending The Totteridge Academy one of Years 7 to 12 and who will continue to do so in one of Years 8 to 13 on the point of admission into the Academy.
3. Children of staff subject to either or both of the following circumstances:
  - a. where the member of staff has been continuously employed at the school for two or more years at the time at which the application for admission to the school is made; and / or
  - b. the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. Up to 60 places will be allocated to children who are in receipt of the Pupil Premium at the date of application and are residents of the borough of Barnet. Priority will be given based on proximity of the applicant’s home address to the academy. The applicants will be ranked nearest to furthest.
5. Distance from the applicant’s home address to the Academy. The distance is measured by a straight line from the address seed point (determined by Ordnance Survey data) of the child’s home address to the main school gate for students. The applicants will be ranked nearest to furthest.

## Attendance, behaviour, and pastoral arrangements

We have high expectations of behaviour and attendance. We celebrate and are proud of the achievements of all of our students, valuing individuality and nurturing happy, confident, and hard-working young people.

All students have a Tutor and a Director of Learning, both of whom support students with their pastoral and academic needs. As far as possible, Tutors and Directors of Learning move up through the school with their tutor/year group.

Our behaviour system is designed to develop students’ internal motivation to succeed. The wellbeing of our students is our priority so that they can successfully achieve high academic standards within the classroom and beyond.

## Facilities/Extra-curricular activities

We are developing our site using student feedback and we have a number of specialist teaching areas, including five technology workshops, seven I.T. rooms, eight science laboratories, three specialist art rooms, a learning resources centre, drama studio, library, sports hall, gym, dance studio, and weight training room.

As part of our commitment to delivering an Education with Character for all of our students, we offer a wide range of extra-curricular activities. The timetable for this is sent out at the beginning of the year and includes opportunities such as: Chess Club, Let’s Get Cooking, Sports Teams, Drama Club, Green Team (Environmental Club), School Band and Choir, 1:1 Music Lessons, Duke of Edinburgh Scheme, World Challenge, daily Homework Club, Breakfast Club, and Film Club.

We run several trips throughout the year across all year groups, such as to Paris and Barcelona, the Mersea Residential, Accenture Business Trip, Skiing Trip as well as a range of external visits linking to specific curriculum subjects.

We also have a Farm on site in order to offer outdoor learning and an education programme which links to the curriculum and develops young people’s understanding of the environment, animal welfare, food, and nutrition.

## You and your child’s progress

Your child will be assessed regularly in lessons to see how they are progressing and to ensure that they get the right support and challenge to succeed in their learning.

Teachers will discuss this with you at Parents’ Evenings and contact home if there are ever any particularly impressive achievements or potential areas of weakness.

We run formal exam-style assessments twice a year and send a report home so that you and your child can track their progress in all subjects. Our students take an active role in establishing what will make them more effective learners.

## Curriculum and homework

We provide a broad education, which enables young people to learn a wide range of topics and skills, preparing them for the future.

We focus sharply on current research and evidence of what makes it more likely that young people will progress, apply that to our practice, and continue to learn and develop our school. Homework is set weekly and shared with students and parents via ShowMyHomework.

## Teaching and learning

Our teachers are experts in their fields and each department devises a bespoke approach to the teaching of their subject. We have high expectations and reject the view that success in life is pre-determined or that students’ talents are fixed.

We improve through practice; calm, focused classrooms led by knowledgeable, passionate teachers provide our students with the ideal environment for this practice to take place.

Our Key Stage 3 and 4 Curriculums for each subject can be found on our website.

## Education after 6th Form

We ensure every student has the knowledge, experience and support to pursue their ambitions. We have a specialist careers advisor on site and offer regular opportunities to learn about different career paths, visit universities, and find out about future opportunities. This includes our dedicated Futures Week programme in Year 10.

We opened our Sixth form in September 2020, offering a range of A-Level courses. The summer’s results (details can be found on our website) allowed Sixth Formers to secure their places at some of the UK’s top Russell Group institutions to study a range of competitive courses, including Engineering, Law and Forensic Science. Many of the academy’s Year 11 students are continuing their studies in our school’s Sixth Form.

## About our school

### Aims and expectations

At Whitefield School, our purpose is to ensure we develop well-rounded pupils who achieve great grades and have great character through our high standards and expectations. Our young people demonstrate a growth mindset, and are resilient, respectful and accepting of all members of our community.

In the pursuit of academic excellence, we continue to build and refine our Curriculum to ensure it is ambitious for all, that it is broad, balanced and develops key skills. Our Curriculum extends beyond the classroom and through an extensive trips and visit offer we aim to give students wide ranging experiences to build their cultural capital. This, alongside a strong culture of disruption free learning, allows students to exceed their targets.

All staff have high aspirations for our students who themselves are ambitious and confident. Through extremely hard work and determination, students flourish in our nurturing environment. Our students have shown resilience; we have seen them make exceptional progress and move on to great destinations including our own Sixth Form, local colleges, apprenticeships, employment and a range of Russell Group universities.

At Whitefield we know the importance of promoting student welfare, we maintain our student services department to support students' mental health and wellbeing to develop self-esteem and confidence.

We are committed to excellence in all aspects of students' school life, whether academic, social or emotional.

### Transport

Nearest stations: Brent Cross (Northern Line)

### Type of school

Co-educational comprehensive converter academy.

### Supplementary Information Form

A Supplementary Information Form (SIF) is not required.

### Uniform

We have a smart and strict uniform policy which we expect our students to adhere to at all times. Our Sixth Formers are also expected to follow a smart dress code, setting a positive example to their younger peers.

### Attendance, discipline and pastoral arrangements

We maintain high standards of discipline and attendance, developing a strong work ethic and a culture of mutual respect within our community. Our students get on exceptionally well. The importance of consistently high attendance and excellent behaviour are communicated to students from the moment they begin in Year 7. Our excellent pastoral system has a clear focus on building resilience and promoting wellbeing. We have a dedicated Student Services team which provides support for students at every stage of their education.

Each student has a form tutor, a co-tutor, a dedicated Year Team Leader and access to counselling and other specialist services. 'Pupils are safe at this school and are well motivated to learn' (Ofsted 2022). Our students offer warmth, guidance and care to all new arrivals. We run an excellent transition programme in close collaboration with our partner primary schools, ensuring students have many opportunities to get to know us before their first day. This transition process continues throughout Year 7.

### Oversubscription criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. 'looked after' children and children who were 'looked after' but ceased to be so because they were adopted, or became subject to a 'child arrangements order' or special guardianship immediately following having been 'looked after'.
2. children who have an Autistic Spectrum Condition (ASC) for whom placement at Whitefield School is deemed by the London Borough of Barnet and the school to be appropriate. Whitefield ASC provision offers a maximum of 28 students, 4 per year group.
3. children who, at the time of admission, have a sibling living permanently at the same address in Years 7-13 of the school, or who have left the school at the end of Year 11 immediately prior to the time of admission.
4. children of members of staff (teaching and non-teaching) who have been employed for two years or more at the time when the application for admission to the school is made.
5. remaining places are offered on a geographical basis as measured by the London Borough of Barnet.

Further details on admissions can be found on our website.

### Curriculum and homework

'Leaders are ambitious for pupils' learning' (Ofsted 2022). Our curriculum offers a wide range of stimulating learning opportunities; ensuring students of all abilities are stretched and challenged. We regularly review the curriculum, embracing innovation and new approaches to provide a broad and balanced experience for every child. Students in Key Stage 4 have the opportunity to complete GCSEs and vocational subjects. The possibility of early entry increases the curriculum offer and allows students to pursue a range of subject areas including the Creatives Arts.

We take pride in our outstanding teaching of spiritual, moral, social and cultural values, as well as our comprehensive careers and employability programmes. We consider home learning to be hugely important in developing independent learning habits, with regular tasks set across all subjects. Free peripatetic music lessons, a free instrument and a host of classical music opportunities are offered to every student in Year 7. Whitefield is proud to be one of only 15 schools in the UK to be part of MISST (Music in Secondary Schools Trust). More details of this amazing scheme can be found at <http://www.misst.org.uk>

### Facilities/Extra curricular activities

We take great pride in the extracurricular opportunities we offer, and enrichment activities are a strength of the school. For example, we have a range of school facilities such as two full sized all-weather pitches, a gym and student kitchens. Our school facilities encourage pupils' to participate and build a range of skills during their time at Whitefield.

To enrich our students and build on their character, we run multiple trips throughout the academic year which include the ski trip. We ensure that no pupil is prevented from experiencing the wealth of opportunities available in the capital city.

We are a diverse school community and we embrace and celebrate our differences throughout the year through specialist events, tailored lessons, inviting in guest speakers and even changing our lunch menu where we can.

An Autism Provision and nursery are both available onsite.

### Teaching and learning

Being ambitious and showing effort in all lessons is part of our school values. To ensure that students meet these values, quality first teaching is a priority at Whitefield. Lessons are delivered by a passionate, talented and innovative team of teachers. All our staff are specialists and qualified. Students receive a personalised, tailored experience across each Key Stage.

There are wide-ranging opportunities for more able students to stretch themselves to the maximum, and those with special educational needs or with additional language needs can receive extensive support at every stage of their learning.

All students have the chance to have their achievements recognised at End-of-Term Rewards Assembly and End-of-Year Celebration of Achievement Evening.

### You and your child's progress

We strive to personalise our curriculum, our pastoral offer and our support packages to meet the individual needs of every student and enable them to thrive. We set challenging targets for all of our students and work hard to ensure these are met or exceeded.

The attainment of students is tracked throughout the year and reports are sent home regularly. We encourage parent involvement at every stage of their child's learning with our online reporting system, allowing parents to get real-time details on their child's progress and attendance. An annual Student Progress Evening for each year group also allows parents to meet with their child's subject teachers.

### Education after 16/ Sixth form curriculum

Our Sixth Form offers a wide range of A Level subjects, along with a number of vocational courses. We have established strong links with many prestigious Universities. Sixth Form students have numerous opportunities to participate in additional enrichment programmes such as leadership awards, volunteering schemes, mentoring younger students, and high calibre work experience through our links with the prestigious 'Access Aspirations' and BELS organisations.

## About our school

Wren Academy Finchley is an All Through school which achieves excellent examination results. Progress results place the Academy in the top 2% of all secondary schools in the country.

### Aims and expectations

Our aims are to:

- be an active, celebratory and successful Christian community serving our local area and beyond
- be an outstanding school, maximising the academic achievement of all the young people who attend
- be an educational community where everything we do is of the highest standard we can achieve
- enable young people to succeed in whatever forms of activity they possess talent or interest, be these academic, musical, sporting or artistic.

These aims are achieved through an innovative approach to curriculum planning which includes single sex teaching in English, Mathematics and Science. There is an extensive enrichment programme with every student taking part in two hours of enrichment activities each week.

### Transport

Buses: 134, 221

Nearest Stations: Woodside Park (Northern Line), West Finchley (Northern Line), New Southgate (Overground).

### Type of school

Co-educational comprehensive sponsor academy.

### Supplementary Information Form

A Supplementary Information Form (SIF) is required if applying for a Faith place.

### Specialism

Design and the Built Environment.

### Uniform

Details of the Academy uniform can be found in the prospectus and on our website. The uniform is popular and all students wear it with pride both in school and on their way to and from the Academy.

### Attendance, discipline and pastoral arrangements

The Academy has a house system and vertical tutor groups of no more than 24 students. High standards of discipline and attendance are core elements of the Academy's ethos.

The vertical tutoring system promotes a family environment and is responsible for the strong sense of community throughout the school and between year groups.

(summary) see school website for full criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. 'looked after' children and children who were previously 'looked after' but immediately after being 'looked after' became subject to adoption, a child arrangements order, or special guardianship order.
2. priority will next be given to children based on their exceptional medical need or those of their parents/carers. Each application must include: recent written evidence from a medical consultant responsible for the treatment of the child's or their parent's/carer's need which evidences and fully explains the medical need in question; why they must attend this school rather than any other as a result of the medical need in question which could not potentially be met by one or more other schools in the borough if the child were to attend another such school; and the application is supported by a written explanation of the difficulties that the child would suffer if he or she did not attend the Wren Academy Finchley in particular. If evidence is not submitted to the LA with the application, a child's or their parent's/carer's medical or social needs cannot be considered. The Governors will retain an absolute discretion whether to allow any particular application under this criteria and will be entitled to take any factors which they consider appropriate into consideration including whether the school has the facilities and resources at the relevant time to accept the child and the impact of the admission on other students.
3. priority will next be given to the siblings of pupils attending the school at the time the application is received. Where an older sibling is in Year 13, siblings will not be prioritised under this criterion.

4. priority will next be given to the children of staff members who have been employed on a permanent contract for a period of two years or more at the time at which the application is made.

The remaining places will be allocated equally between Foundation and Community applicants as follows:

- 5a. Foundation places (up to a maximum of 92) allocated in the following order:
  - i. 60% for applicants attending Church of England churches (up to 55 places)
  - ii. 40% for applicants attending a church of another Christian denomination in fellowship with the Church of England (up to 37 places).
- 5b. Community Places (up to a maximum of 92) for all other children.

Where there are places available in the categories above, these will be filled from the other category.

If in categories 5a and 5b above a tie-break is necessary to determine which child is admitted, the child living closest to the school will be given priority for admission. In the event of equal distance, random allocation will be applied. Distance is measured from the child's home address to the front gates of the school in a straight line.

#### Waiting list

In addition to their right of appeal, unsuccessful applicants will be placed on the waiting list which will operate until the end of the academic year and maintained by the Academy Trust. Any places that become available will be offered to those on the waiting list in line with the oversubscription criteria set out above.

### Facilities/Extra-curricular activities

Located in brand new buildings completed in 2012, Wren Academy benefits from an outstanding range of learning facilities. All students have two hours of enrichment activity timetabled every week from a wide and exciting menu. There are also a wide range of trips both in this country and abroad including Duke of Edinburgh (Bronze, Silver and Gold), visits to the theatre and music venues, and regular ski trips.

#### You and your child's progress

Parents and Carers are essential in helping their child to succeed. This process begins with our Home-Academy Agreement and is supplemented by termly reporting, consultation meetings for parents and carers and additional information evenings.

#### Teaching and learning

Approaches to teaching and learning are both innovative and traditional with a high emphasis on students developing the skills to learn independently. This is a key reason that students make exceptional academic progress.

#### Curriculum and homework

The Academy has a broad and balanced subject offer based on the National Curriculum. Our curriculum is challenging with plenty of opportunities provided for students to develop their knowledge and understanding beyond what is taught in the classroom. Home learning is set every week in all subjects.

#### Education after 16/ Sixth form curriculum

The Academy has a successful Sixth Form. The curriculum is based around A Level courses. A structured programme enables students gain entry to the full range of prestigious universities both in this country and abroad.

# Additional information

## In-Year admissions

If you wish to apply for a place at a Barnet secondary school during the school year because you have just moved into the area, or your child wishes to transfer from one secondary school to another, please visit our website for further information and the link to the In-Year admission application form: [www.barnet.gov.uk/schooladmissions](http://www.barnet.gov.uk/schooladmissions)

If you are applying for a school outside Barnet, please contact the local authority where the school is situated for information about their application procedure.

## Waiting Lists

Waiting lists for most Barnet schools are closed at the end of each academic year (please check individual school websites for further information). If you want your child to remain on waiting lists for the 2024/25 academic year you will need to submit a new In-Year application in August 2024.

## Fair access protocol

Barnet Council has an In-Year Fair Access Protocol to ensure that children without a school place, especially the most vulnerable, are offered a place at a suitable school as quickly as possible.

This includes children with challenging behaviour who are refused a place by a school which has places available. Schools are allocated on a 'fair share' basis so that no particular school takes a disproportionate number of children under the protocol. Children may be placed in a school that is already full and ahead of other children on the waiting lists.

## Admission outside the normal age group

The Council believes that children should be educated within their correct chronological year group, with the curriculum differentiated as necessary to meet the needs of individual children, and that they should only be placed outside their normal age group in very limited circumstances.

There are a number of potential issues that may arise if children are placed outside their normal year group. For example, a child may also exercise their right to leave school before they have the opportunity to take public examinations.

The decision whether to place a child out of their normal age group will be made by the admission authority for the school and will be based on the circumstances of the individual case and the best interests of the child.

This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

To apply for an out-of-year place, you should complete an application for the correct year group in the normal way and then submit a request for out-of-year group admission. You will need to give the reasons for your request and provide supporting evidence that demonstrates why it would be in the child's best interests to be educated out-of-year.

## Sixth form admissions

Most secondary schools in Barnet have a sixth form (the exceptions are Ark Pioneer Academy, Friern Barnet School, Saracens High School and The Archer Academy).

Admission to the sixth form is not automatic and students will need to have attained the academic requirements for the proposed course of study. Further information about sixth form admission arrangements is available directly from the schools.

## Raising the Participation Age

All young people in England are now expected to continue learning until the end of the academic year in which they turn 18, or earlier if they achieve a level 3 qualification beforehand. This means that parents will need to plan for their child's education and/or training up to the age of 18. Upon leaving year 11 there will be a lot of choice about next steps, including choosing full time or part-time education/training up to age 18.

Current options include:

- an apprenticeship or traineeship
- full-time education or training in a school sixth form, a college or a training provider
- full or part-time employment/ self-employment with training
- re-engagement provision for those who have been absent from learning before they were 16 or who leave school without a place in education, employment or training
- volunteering (including caring) or an internship.

Further information and guidance can be obtained from your child's current school.

## 14-19 Admissions - University Technical Colleges (UTCs) or Studio Schools

Most children aged 14 years will continue with their education at the secondary school they are already attending. Although this will be the best option for the vast majority of children this age, there are other options available.

Schools which admit pupils at the beginning of Year 10 are called University Technology Colleges (UTCs) or Studio Schools. These schools offer a range of educational programmes which can lead to useful qualifications and progression to further learning, apprenticeship or employment.

There are currently no UTCs or Studio Schools in Barnet, so parents who choose to apply for a place at these schools will need to consider the travelling distance and journey involved.

## University Technology Colleges (UTCs)

UTCs are set up by universities and business and specialise in one or two technical subjects. In years 10 and 11 they offer a similar GCSE curriculum to a typical secondary school, including English and Maths, as well as their specialist subject. You can find out more at [www.utcolleges.org](http://www.utcolleges.org)

## Studio schools

Studio schools are similar to UTCs in that they have employer involvement in the curriculum and focus on developing skills needed for employment, involving personal coaching and work experience.

They have a similar curriculum to a typical secondary school. You can find out more at [www.studioschoolstrust.org](http://www.studioschoolstrust.org)

A list of all UTCs and Studio Schools in the London and surrounding areas which admit pupils into Year 10 can be found below. The application process is set out on the website for each school.

## Students aged 16 and over in school Years 12 – 13 or colleges

Students over 16 years and whose families are on low incomes, may be entitled to a bursary from the 16 – 19 Bursary Fund to help them continue in full time education. Further information about the 16 – 19 Bursary Fund may be obtained from your child's school or college.

### School meals

- meals are available at midday in every school
- most secondary schools operate a cafeteria service
- set price, two course meals are available as well as a variety of individual items
- a number of schools now operate a cashless smartcard payment system
- pupils can bring their own food if they prefer.

### Free school meals

All children in Reception, Year 1 and Year 2 automatically get free school meals.

From Year 3 onwards, your child will be eligible for free school meals if you are receiving any of the following:

- Income Support
- Income-Based Job Seekers Allowance (IBJSA)
- an income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- Child Tax Credit (provided you are not also entitled to Working Tax Credit), and have an annual gross income of no more than £16,190
- Working Tax Credit run-on, paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit (your household income must be less than £7,400 a year, after tax and not including any benefits you get).

**Please note:** any family that receives Working Tax Credit is not entitled to free school meals for their children whatever the level of their income.

### School journeys

Families entitled to free school meals may get financial help from the pupil's own school for school journeys that involve an overnight stay away from home.

### School uniform

School uniform plays a valuable role in contributing to the ethos of a school. While schools are encouraged to consider the introduction of uniforms they are also expected to help limit their expense. Parents on low incomes should not feel that the cost of a uniform means that they cannot apply for their school of preference.

Families having difficulty providing regulation school uniform should discuss this with their child's school. There is no grant for school uniform available from the local authority.

The Mayor's Benevolent Fund may provide help to parents in receipt of Income Support or Child Tax Credit who have a child transferring to a secondary school. Further information is available online at <https://www.barnet.gov.uk/benefits-grants-and-financial-advice/grants-and-funding/mayors-benevolent-fund>

## Contributions to school funds and to participate in school trips

There is no charge or cost related to the admission of a child to a school. While parents from low-income families feel concerned about the level of voluntary contributions that schools request this should not deter them from expressing a preference for a school. Parents are assured that if they choose not to make voluntary contributions their child will not be disadvantaged.

### Special Educational Needs

Provision is made in a number of different ways for children who have been identified as having Special Educational Needs. Support for most pupils is provided in their local mainstream school. A minority of pupils require a higher level of support in specialist provision attached to a mainstream school or in a special school.

For more information about the types of support available in Barnet for pupils with Special Educational Needs, please visit <https://www.barnetlocaloffer.org.uk>

### School attendance

By law, all children of statutory school age, 5 – 16 must receive full-time education. Parents are responsible for ensuring that this happens either by registering their child at a school or by making other arrangements which provide suitable education.

Support is available to pupils, parents and schools in order to improve attendance and outcomes for individual young people.

If your child has problems with attending school, you should talk to school staff in the first instance. If the problem persists, the school may seek action from the Local Authority which could lead to the involvement of an Education Welfare Officer.

Further information is available online at <https://www.barnet.gov.uk/schools-and-education/school-attendance>

### Home schooling

If you decide you want to educate your child at home instead of sending them to school. You can register your intention to home educate with the Local Authority. This will allow us to contact you about your home education journey and offer support and guidance along the way. You can find out more about home schooling and registration at <https://www.barnet.gov.uk/schools-and-education/home-education> or by contacting the Education Welfare Team on **020 8359 7739**

# Keywords

This section explains some of the terms used in this booklet. These definitions apply except where individual schools define the terms in their admission arrangements.

**Admission limit** is the number of school places that is available in each year group.

**Admissions criteria** are the rules set by the admission authority for the school and are used to decide whether or not a place can be offered to a child.

**‘Looked after’ children** are those being cared for by a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. This Act only applies to England and Wales, which means that a child has to be looked after by an English or Welsh local authority in order to be given priority for admission.

**Previously ‘looked after’ children** are those who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been ‘looked after’, as well as those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (Section 46 adoption orders).

Child arrangements orders are defined in Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014.

Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

See Section 14A of the Children Act 1989 which defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

**Parent** is the term used to refer to anyone who has parental responsibility for and care of a child in accordance with the Children Act 1989.

**Sibling** normally refers to a brother or sister, half brother or sister, step brother or sister, adopted brother or sister and foster brother or sister living in the same family unit at the same address. Please check the sibling definition for your preference school(s).

**Education, Health and Care Plan (EHCP)** is the document setting out the educational provision that will be made for a child with special educational needs, as well as their health and social care needs.

The EHCP replaces the Statement of Special Educational Needs under The Children and Families Act 2014. Parents are given a copy of the EHCP and will be involved in the review process.

**Supplementary Information Form (SIF)** is the name of the form you may have to complete to be considered for faith schools or selective schools. The school pages of this booklet tell you if a SIF is required. The form can be obtained from the relevant school and should be returned to that school.

# Travelling to school

When choosing a new school it is good to also consider how your child will travel to school.

Each school has a School Travel Plan (STP) which explains what the school is doing to encourage pupils and their families to travel more sustainably, such as walking, cycling or using public transport.

You can ask to see a copy of the school's travel plan or you may find it on the school's website.

To find out more, email: [schooltravelplans@barnet.gov.uk](mailto:schooltravelplans@barnet.gov.uk) or tel: **020 8359 7603**

## Walking

It is recommended that young people take 15,000 steps a day, so walking to school can contribute to this, as well as giving opportunities to develop road safety skills and a chance to talk and socialise with families and friends. For directions and a map showing how to walk to any location go to:

<http://www.walkit.com/>

## Public transport

11-15 year olds can travel free on buses at all times but need an 11-15 Oyster photo-card called Zip. In year 6 they receive a Zip card holder with an informative map of Barnet from Transport for London. Further details can be found on the Transport for London website [www.tfl.gov.uk](http://www.tfl.gov.uk). The website also has a travel planner that can help you to plan your route to school.

## Sustainable travel transition materials

Year 6 pupils will receive a Barnet 'Stepping Up!' booklet with advice and information about safer and active travel to their secondary school. Road safety advice includes not listening to music or using a mobile phone when attempting to cross the road. For a copy of 'Stepping Up!' email [road.safety@barnet.gov.uk](mailto:road.safety@barnet.gov.uk) or call **020 8359 7105**.

## Cycling and scootering

Contact the school to find out if they encourage cycling/scootering and whether there is cycle and scooter storage available. The school may have a cycling/scootering policy explaining rules for pupils who wish to cycle or scooter.

You could also ask the school if they will be organising any cycle training for pupils and/or their families. If they are not, email [cycling@barnet.gov.uk](mailto:cycling@barnet.gov.uk) or call **020 8359 4972** for advice on receiving cycle training as well as information about local led rides and other cycling activities. To be able to cycle on local residential single lane roads with simple junctions with no traffic lights, students should have completed a Level 2 Bikeability course. To tackle busier or faster single and multi-lane roads and complex junctions including those with traffic lights, students should have completed a Level 3 Bikeability course.

To find out more about cycling training and Dr Bike sessions (where bike mechanics check the road worthiness of your bike and fix minor faults and you can get your bike security marked) look at the Council website: [www.barnet.gov.uk/cycling](http://www.barnet.gov.uk/cycling) London cycle maps can be seen online or ordered from the TfL website [www.tfl.gov.uk](http://www.tfl.gov.uk)

If you have to drive your child to school you could car share, park and stride or park and ride.

## Car sharing

Some schools co-ordinate car sharing lists so you could enquire if the school can help you to find another family to car share with.

## Park and stride

Many schools have identified possible park and stride locations where parents/carers can park their cars and children walk the final part.

## Park and ride

Alternatively you could drive your child part of the way before they catch a bus the remaining way.

## Sustainable Modes of Travel Strategy (for children and young people)

The Council has a legal duty under the Education and Inspections Act (2006) to promote sustainable travel.

The Sustainable Modes of Travel Strategy (for Children and Young People) can be found at:

## Help with travel costs

### Children in Years 7 – 11 in Secondary Schools

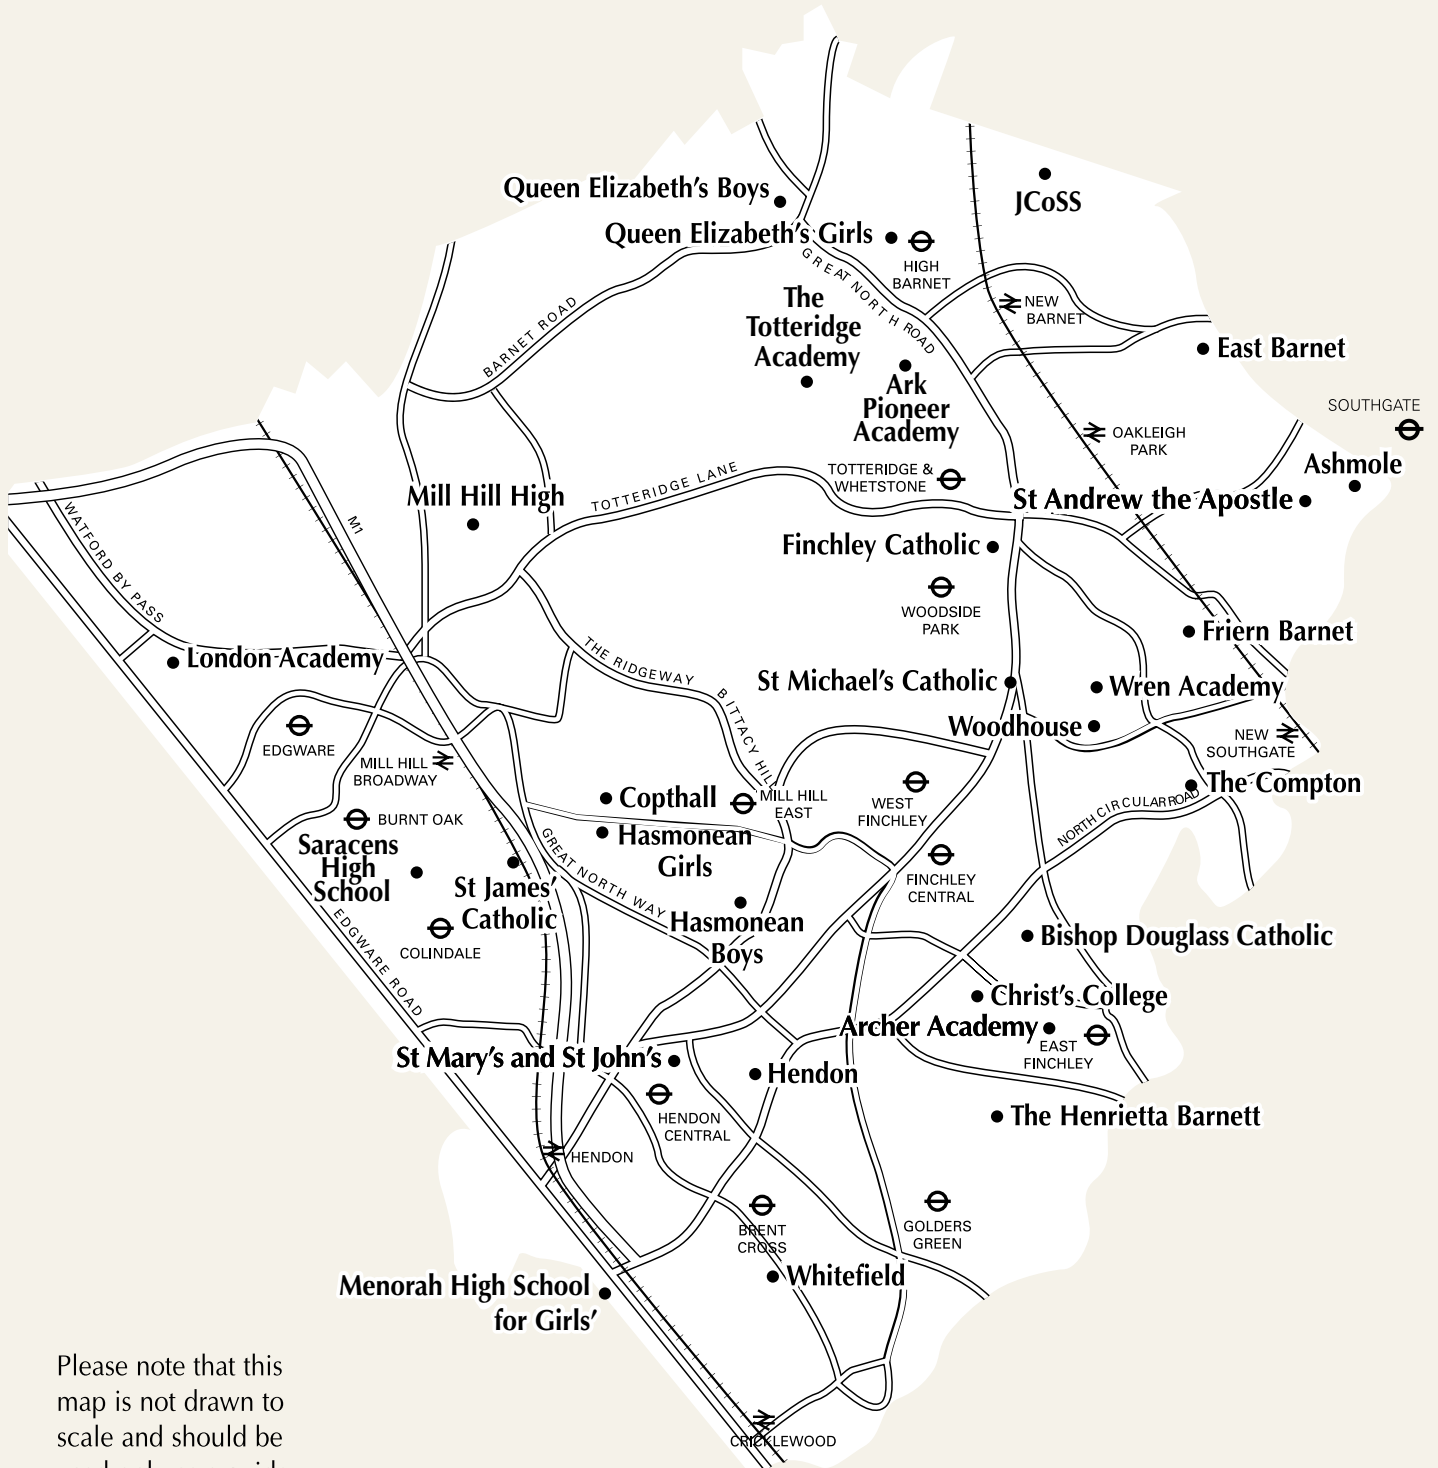

The vast majority of children living in Barnet and starting secondary school will not be entitled to the cost of travel as there will be a suitable school within a three-mile walking distance of their home, accessible through a safe-walking route or by free travel on public transport.

Parents may qualify for support with their child's home-to-school travel if:

- the child is entitled to free school meals or the family receives the maximum level of Working Tax Credit, and
- the home-to-school journey involves a cost, or
- the child is unable to get to school by foot or public transport as a result of exceptional social or medical needs.

**Please note that fulfilling one or more of the above criteria does not give automatic entitlement to free travel to school and each application will be considered on its own merits.**
