

## **Role advert –Special Advisors for Health & Adult Social Care**

We are looking for two Barnet residents with lived experience of using health and or adult social care services to become special advisors for health and social care to Barnet Council scrutiny committees.

### **About you:**

You will be interested in matters relating to health and social care and able to attend training and scrutiny meetings as and when required. You will feel confident attending formal council scrutiny meetings, including reading papers in advance of the meetings and contributing to the meetings.

You will be a confident communicator, comfortable talking with council officers and councillors, as well as other residents and professionals.

Outside of the scrutiny meetings you will work closely with the Barnet Involvement Board in adult social care (a group of resident representatives) to gather views and feedback on scrutiny committee work. The time commitment is to attend one meeting every 3 months (usually in the evening, lasting up to 3 hours), as well as time spent preparing for these meetings. You will also have the opportunity to take part in task and finish groups on specific topics.

You will be paid an allowance to cover your costs, which is currently £127 per meeting. For more information on the role and requirements please see the role description attached.
