

## Matter 2 Written Statement – Victor Montefiore (96)

I would like the Inspectors to validate the inclusion of site 49 in a Growth Area (Policy GSS07 Mill Hill East) given Reg 19 representations and that:

- a) The Housing Technical Paper says “*the Council adjudged the sites in Green Belt, Metropolitan Open Land and SINC*s were not realistic options in developing the policies in the emerging Local Plan”; and
- b) the newly Leader of the Council said at the 23<sup>rd</sup> June Barnet Society AGM that there will be no development in Green Belt
