- 1.2. The provisions in the Act do not seek to change the right of each local authority to have autonomy on pay decisions, however it emphasises the need to deliver value for money for local taxpayers.
- 1.3. This statement has been approved by Council and any further changes during the year will be brought back to Council for adoption.
- 1.4. This statement does not cover schools.

Related Remuneration and Transparency Context

- 1.5. - 1.6. Part of the Code of Recommended Practice for Local Authorities on Data Transparency includes publishing information relating to senior salaries within a local authority. A full list of all posts that are paid more than £58,200 is published on the Council's website. See http://www.barnet.gov.uk/info/1573/senior_salaries/828/senior_salaries

- 3.5. Each Pay Grade comprises 3 pay points Entry, Developing and Fully Competent. The Fully Competent pay point reflects the evaluated level of the job. The Council does not pay beyond the evaluated level of the job and there is no automatic progression between each level within the Grade.
- 3.6. The appropriate pay point at recruitment will normally depend upon the applicant's assessed level of competence.
- 3.7. All chief officer appointments will be conducted by a member recruitment panel. The candidate's remuneration will be voted on by the Remuneration Committee and reported to Council at the earliest opportunity. Council have been given the opportunity to vote on Chief Officer salaries at or above £100,000 per annum and have delegated this function to the Remuneration Committee. Remuneration Committee consists of the Leaders of all three main political parties (one of whom is the Leader of the Council) and two other members.
- 3.8. Council retains the responsibility to confirm the appointment of the Chief Executive.

Pay Scales - Rest of the Council

- 3.9. The council in accordance with its single status agreement currently has two pay bands in operation for the remainder of the Council as follows:

Pay Band	Relevant employees	Lowest Pay Point on 1 April 2014	Highest Pay Point on 1 April 2014
Hayband 4	Senior Managers and some professional staff	£48,025	£63,139
Barnet Broadband	All other employees	£14,962	£65,475

NB. All salaries to be reviewed in April 2014 in accordance with National Bargaining Arrangements.

- 3.10. The evaluated grade for a role is normally 4 spinal column points. However the Single Status Agreement allows for some discretion in the number of spinal column points within a grade ranging from single spot grade through to a career grade; this discretion must be in line with the single status agreement.
- 3.11. The pay point on recruitment is normally at the bottom point of the grade for each post unless there is a justifiable reason for doing otherwise. An example might be that for particular roles there is difficulty in recruitment and retention and to ensure that the successful candidate accepts the job offer a salary above the bottom of the grade is required.
- 3.12. Progression through the grade is through annual increments until the top of the pay grade is reached.

Barnet Living Wage

- 3.13. The Council has developed a fair pay policy to ensure that it applies a minimum wage for Council employees.
- “London Borough of Barnet is a fair pay employer and will apply the principles of a living wage (including taking into account the National Minimum Wage, National Living Wage, London Living Wage and national pay awards in the public sector), subject to affordability.***
- 3.14. For the period of this pay policy statement the council has decided to apply a living wage rate of £8.80 per hour worked for all employees. Employees whose pay rate is less than this amount will receive a pay supplement to bring their pay up to an equivalent of the published Barnet Living Wage rate.
- 3.15. This minimum rate will be reviewed on an annual basis and published as part of this pay policy statement in April each year.

- 3.29. The Council's redundancy terms do not enhance pension entitlements.
- 3.30. The Council as part of its duty to mitigate the consequences of redundancy puts in place appropriate employee support, which includes career advice, workshops and trial periods for employees.

Appointment and Remuneration Terms

- 3.31. The Council appoints to roles on a variety of terms and the final decision about the appointment and remuneration terms will be a reflection of the requirements of the role; the evaluated level of the role; the longevity of the role; budgetary constraints and broader value for money considerations.

4. Severance arrangements

- 4.1. The Council does not enhance severance packages beyond statutory and contractual entitlements. In practice this means severance package consist of redundancy pay (see 3.6), any holiday pay the employee is contractually entitled to and pension payments that the employee is entitled to in accordance with the Local Government Pension Scheme (LGPS).
- 4.2. Where an employee is aged 55 or above and is made redundant then by virtue of the LGPS scheme rules the employee's pension will automatically come into payment. It should be noted that an employer cost, known as 'Pension Strain' will be crystallised and is a cost to be paid by the employer to LGPS.
- 4.3. For the purposes of calculating the component parts of a severance package this will include:
- redundancy pay
 - holiday entitlement earned but not taken
 - 'pension strain' cost payable by the Council to the Pension Scheme
- 4.4. Council have been given the opportunity to vote on severance packages at or above £100,000 per annum and have delegated this function to the Remuneration Committee. Remuneration Committee consists of the Leaders of all three main political parties (one of whom is the Leader of the Council) and two other members

5. Relationship between the remuneration of its chief officers, and the remuneration of its employees who are not chief officers

Remuneration of the Lowest Paid

- 5.1. The definition of the lowest paid is based on the Council's living wage of £8.80 per hour (equivalent to £16,518 per annum for a 36 hour week).

Pay Dispersion

- 5.2. The highest paid role in the Council is the Chief Executive with earnings of £187,613. The median average paid role is £25,710 and this covers a wide range of roles. The ratio between the highest paid in the authority (Chief Executive Officer) and the median average paid role is 1:7.3. The lowest paid role in the Council is scp 5 earning £14,961 per annum but this is subject to the Council's living wage supplement (see section 3.13 to 3.15). The ratio between the highest and lowest paid roles is 1:11.4.
- 5.3. A comparison between the current year and previous year is shown below:

Elements of Chief Officer Remuneration

- 5.4. All Chief Officers receive only base pay. Any market supplement would need to be agreed by the Remuneration Committee.

6. Staff moving posts within the public sector

- 6.1. The Council operates a recruitment policy based on merit - in line with discrimination legislation.
- 6.2. Should a successful candidate be in receipt of a severance payment or pension the London Borough of Barnet applies the Rules of the Local Government Pension Scheme and Modification Order to manage the following scenarios, should they occur:

 - Are in receipt of a Local Government Pension Scheme or Firefighter pension (whether their previous service was with the same authority or not)
